July Mission Links will support the Native American Ministry of Presence Fund

The Northern Illinois region has a high population of Native American people from different nations, many of whom have encountered harm or misunderstanding from the Christian church. The NIC Committee on Native American Ministries (CONAM) seeks to support their Ministry of Presence with the St. Kateri Center of Chicago, a Roman Catholic Native American community with whom CONAM has had a relationship for over 25 years, through fundraising for educational and cultural programs, participation at events, and teaching cross-cultural workshops.

Back to School

Fall 2026

Helping Our Students Have a Healthy School Year

We still have a need for more Back-to-School supplies, and "paper Crayons" are at the table in the Narthex.

We have added "Paper Crayons" that will help to keep our students and their classmates healthy during the school year. We are asking for boxes of facial tissue, hand sanitizer, sanitizing wipes for desk surfaces, baby wipes, paper towels, refillable water bottles, and Ziplock Bags in different sizes. Most of the classroom teachers try to keep the classroom stocked with these items to keep the students healthy. Kindergarten to 5th Grade students are usually very susceptible to colds. These crayons will be available from today, through July 19. We ask you to sign out on a 3" x 5" card with your name and the Crayon numbers you take.

Go to your favorite store, and shop for the items on the Crayons. Please put the "Paper Crayons" in the bag with the items you've purchased. They can be dropped off on Sunday mornings when you come to church, or you can drop them off in the church office if you are here during the week.

We will also accept cash gifts, or checks made out to Roselle UWF (Roselle United Women in Faith) to buy some of the more expensive items, and/or items that must be ordered online.

Thank you for your participation.

Back to School Fall 2026

Back-to-School Supplies **ALL Back-to-School Supplies must be** **received by Sunday, July 26**

We've had great response to the Back-to-School Supplies for our Kindergarten through 5th grade students. But there are still items we need to fill their Back-packs with everything on the school supply lists. Paper crayons with items needed are on the table in the Narthex. Stop by, and see what you can do to help fill their backpacks.

Some of the school supplies are shared by the children in the classroom: We still need pump bottles of hand sanitizer, refillable water bottles, and Ziplock bags in different sizes.

The hand sanitizers help to keep little hands clean and the water bottles can be refilled at the water fountains, so little mouths are not on the fountain spout. These are just small efforts to help our young students stay healthy during the school year. Most of the classroom teachers try to keep the classroom stocked with facial tissue, hand sanitizer and wet wipes to keep the students healthy.

Paper crayons will be available today and through July 19. We ask you to sign out on a 3" x 5" card with your name and the Crayon numbers you take.

Go to your favorite store, and shop for the items on the Crayons. Please put the "Paper Crayons" in the bag with the items you've purchased.

We will also accept cash gifts, or checks made out to Roselle UWF (Roselle United Women in Faith) to buy some of the more expensive items, and/or items that must be ordered online ie, headphones for each student, lunch bags, and other things. Donations of cash or items to the UWF are fully deductible on your income tax.
