Hope Student Ministry Core Class – September 13-November 29

Youth Core Class will start again in September. This is open to Middle and High School students, but it geared towards the middle school level.

September 13th to September 27th

We will spend 3 weeks covering the story of the Bible. This will provide students a high-level overview of the flow of the Biblical story and help put the different books of the Bible in their proper context.

October 4th to November 29th

From October through November, we will be working our way through the Heidelberg Catechism, giving the students a solid footing on what it means to have faith in Christ. Students will be learning about the misery of our sin, the great work of deliverance of our Lord, and the gratitude we show Him.

Hope Kids Core Class – September 13-November 29

During the 9:00 hour, we offer Core Class for children in pre-K through 5th grade. We use Lifeway's Explore the Bible Curriculum. Our goals during this hour are to deepen Biblical literacy, have fun in God's word, and encounter truth that applies to their lives. We do this through Bible memory, study of scripture, and games that help them confidently maneuver through the Bible. Learn more about this curriculum [here](#).

In Fall 2026, kids will study the books of Genesis, Acts, 1 & 2 Corinthians, Philemon, Job, 1 Kings, Zechariah, and Malachi.

Core class begins on September 13 and meets until Nov. 29. We will break for December and resume in January. Information about our January study is coming soon!
