LIFE DEVELOPMENT HOUR
Sundays at 9 a.m. in the Life Center

For the month of August

Unlikely Candidates by Koketso Molaolwe Led by Steve DeBettignies

‘Sorry God, you’ve got the wrong person. I can’t do that. ‘We often look at our lives – our upbringing, education (or lack thereof), our fears, flaws, and insecurities – and decide God can’t possibly use us to impact the world. But this inspiring four-part series, reminds us that where we see insignificance, God sees potential. What we dismiss as too ordinary, God calls the perfect place to reveal His extraordinary power.

For the month of July

The Book of Philemon by Jeyakaran Emmanuel Led by Bill Johnson

The book of Philemon may be one of the shortest books in the New Testament, yet it offers a compelling portrait of the gospel at work in everyday life. In it the Apostle Paul sends a runaway slave that has become a Christian back to his master. The study of this book reveals grace in action showing how the good news of Jesus reshapes power, redefines identity, and makes reconciliation possible. It shows how the gospel transforms relationships and forms a new kind of community rooted in love and restored fellowship.

For just as each of us has one body with many members, and these members do not all have the same function, so in Christ we, though many, form one body, and each member belongs to all the others. We have different gifts, according to the grace given to each of us.

Romans 12:4-6
