

Babylon: The City of Technology
Genesis 3:1-7, 21; Genesis 4:20-22
Pastor Chad Cowan
July 26, 2026

1. What is technology?
 - a. Technology is “the human activity of using tools to transform God’s creation for practical purposes.” *From the Garden to the City*, by John Dyer
2. Technology is a blessing. (Genesis 3:1-7; 21)
 - a. Adam and Eve used technology to overcome the fall.
 - b. God blessed technology by helping Adam and Eve.
 - c. Technology can help us achieve good things.
3. Technology is a curse. (Genesis 4:20-22)
 - a. Cain used technology to build the anti-garden.
 - b. Technology may become a substitute for God.
4. Technology is never neutral.
 - a. Technology changes us.
 - b. We are responsible; yet we are influenced by technology.
5. Deal with technology Christianly by...
 - a. Evaluating it.
 - b. Experimenting with it.
 - c. Limiting it.
 - d. Communing with people.
