**Safety Ministry presents
CRASE Training**

Learn how to respond as a civilian to an active shooter event. Green County Sheriff's deputies will be conducting a CRASE Safety Training at MBC on **Wednesday, August 5 at 6 pm**. They'll be giving a safety presentation first, followed by running hands on active shooter scenarios throughout the building. All leaders and their team members who serve in ministry at MBC would benefit from this training.

If you currently serve, or plan to serve in ministry in any capacity at MBC, we strongly encourage you to attend this training!
