May 2026 Prayer Letter

Dear Faithful Praying Friends,

Thank you for your prayers, because we know that God hears our prayers (Psalm 66:19). I am grateful to report that God has blessed the beginning of Keeping The Buses At The Ready. During the past month, the Lord allowed me the privilege of leading three precious souls to Christ while soul-winning and distributing seventy-two Gospel tracts. Please pray that those who received a tract will read it and that many more souls will come to know Christ as their Saviour.

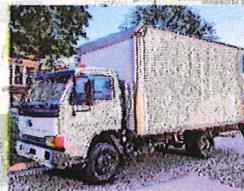

As God continues to open doors to serve churches through the bus ministry, He has faithfully provided for the needs of the ministry truck. The Lord supplied a transmission, new tires, replacement lug nuts, materials needed to repair the floor inside the box, and wisdom in repairing the engine. These provisions are more than mechanical repairs—they allow the ministry to continue traveling, helping churches keep buses on the road, and supporting efforts to bring children, families, and communities under the sound of the Gospel. Through these provisions, God has continued to teach me the truth of Proverbs 21:31: "the horse is prepared against the day of battle: but safety is of the LORD." Though we prepare the vehicle, only God can protect the traveler, and He has faithfully granted safety while traveling through six states.

I am thankful for God's guidance in allowing me to graduate with honors and receive an Associate of Applied Science Degree in Diesel Technology. The knowledge and training gained through this program will be a valuable tool as I seek to assist churches with their transportation ministries. More importantly, the Lord is opening doors to help two churches in the western United States begin bus ministries and to assist Soul's Harbor Baptist Church as they seek God's direction for the future of their bus ministry. It is exciting to see how God is using a background in mechanics to help strengthen ministries whose primary purpose is reaching souls with the Gospel of Jesus Christ.

Thank you again for your prayers, encouragement, and partnership in this ministry. Your investment in prayer is helping place the Gospel before people who need Christ and helping churches keep their buses ready for the work of reaching souls. May God receive all the glory for every soul saved, every door opened, and every mile traveled for His honor.

Your Friend and Co-Laborer in Christ,

Andrew Ayers
