Dear Pastor and Church Family,

Greetings from Thailand!

"And God is able to make all grace abound toward you; that ye, always having all sufficiency in all things, may abound to every good work."

We would like to share one of the amazing stories from our ministry.

In one of my previous letters, I mentioned a young mother, Khun Neek, who wanted to end her life. After she shared her struggles with a friend, she was encouraged to visit a Christian church. Through her daughter, Tang, who attends a school where we minister, she learned about our church.

One Saturday, she came to visit us, and we had the opportunity to share the gospel with her for several hours. Finally, with tears in her eyes, she prayed and accepted the Lord Jesus Christ as her Saviour. Several months later, she brought her parents and daughter to church, and we praise God for their faithfulness. God never ceases to amaze us with how He works in the lives of His children.

We have experienced a very hot summer over the past couple of months. We are grateful that none of the kids at the Children's Home fell ill.

Children's Home Activities

They are now back in school. As the rainy season begins, we ask for your prayers for God's protection over everyone, especially as we work to complete the children's dormitory. The permit for the well has been delayed, and we are praying for its approval by the city government.

This past quarter, seven people followed the Lord in believer's baptism. We thank God for these precious souls and for His continued work in their lives.

Please continue to pray for my wife. She still has days when she does not feel well because of her medications. We are thankful that her laboratory tests last June were generally good, except for an elevated ESR, which indicates inflammation somewhere in her body. Her doctor will continue to monitor her condition, and she is scheduled for another round of laboratory tests this July. We would greatly appreciate your continued prayers for her health.

Baptism

We truly appreciate your faithful prayers and support for the ministry here in Thailand. Thank you for standing with us as we serve the Lord. May God richly bless you.

In His service,

Ronald Gutlay
