

THIS WEEK IN WORSHIP

Senior Pastor, David Hiatt

Exodus 2:1-10

"Lessons From the Boat: Moses"

This past Sunday, we kicked off our summer sermon series, Lessons From the Boat, by exploring one of the Bible's most famous boat stories, Noah's Ark. This Sunday, we're turning to a passage that may surprise you. At first glance, these verses don't seem to involve a boat at all, and yet hidden within them is a surprising connection to Noah that reveals a powerful truth about God's faithfulness.

Join us this Sunday as we discover together how God brings hope in the midst of chaos and makes a way forward when all seems hopeless.

Blessings,
Pastor David Hiatt

NEW - Family Days!

This summer, instead of a traditional VBS, we are using those resources to invest directly into families with rising 6th-graders and under. We're hosting four special Saturdays filled with fun, connection, devotions, and shared experiences. From exploring, serving, and playing together to building stronger relationships with one another and with God, Family Days is designed to help families create memories that last long after summer ends.

While the church will be helping offset expenses for participating children and their immediate families, these events are open to **everyone in our church and community**. Whether you're a parent, grandparent, empty nester or young adult, we'd love for you to join us! Please register so we can be prepared! Contact Cortni at kids@denverumc.org with any questions!

We will meet at the event location at 10:00 a.m.
