"They will tell of the power of your awesome works, and I will proclaim your great deeds." Psalm 145:6

It's extremely hot in summer in Belize but our activities remain vibrant and full of variety.

A 5-day VBS was held at Cooper Bank Church, with more than 30 children participating. The atmosphere was lively and joyful.

The Nazarene Church held a revival meeting.

We enjoyed a birthday dinner gathering with both Chinese friends and local Belizean friends, and it was warm and joyful.

Dormitory Updates

Have been busy looking for lands, coordinating with government departments, and handling registration procedures, we have finally completed several items. We have decided to purchase a 20-acre land as the site for MIC. The location is ideal—only a seven-minute drive from downtown Corozal—and we are now in the process of completing the purchase. Since the area does not yet have electricity, we will be using solar power.

This land will be the future site of MIC.

We have also hired a local accounting firm to register MIC as an official nonprofit organization. The accountants have been helpful.

As for the previously offered 18-acre donation, we have decided to pause that arrangement for now due to certain conditions and restrictions attached to the cooperation. We will wait for God's guidance and help.

The World Cup 2026

The World Cup is a major global event. It's not very common for households to install special TV packages for the games, but many public places—such as parks, the seaside, and local shops—broadcast the games. It's so much fun to watch the games with the loud crowds together.

The enthusiasm of watching the games here remains high, with most fans showing strong support for Argentina.

Financial Support:

Thank you for your continual support and care. We pray that God will move more churches and more brothers and sisters to join in giving, so that we can develop more ministries on the mission field. May the Lord richly reward your prayers and your generosity.
