Korie Lee	LSU Baton Rouge	Social Work

FROM A PARENT

Paige and Reese graduated May 16, 2026.

Paige passed her boards in April, so she is officially Dr. Paige Wilson, DPT, PT. She took a couple weeks to travel and officially started her job at Ochsner, July 13th.

Reese graduated from Fordham University in Bio/Pre Med (Summa Cum Laude) with 3.87 GPA. She decided to stay in NY. She will take a gap year to decide her next steps for medical school. While doing so, she is working a full job as a medical assistant & continuing to do DNA research with NYU and shadowing a trauma doctor in Brooklyn at Kings Hospital.

Thank you and SBC for your support.

Love and prayers,
The Wilsons

TO THE Class of 2026

Celebrating the Legacy of Linda White To Our Esteemed Scholarship Recipients,

Congratulations on being the first Recipients of the **Linda A. White Scholarship!**

This scholarship was created to celebrate a woman who held a profound, lifelong reverence for education. Although health challenges prevented Sister White from finishing high school and brought her formal education to an early end, they only ignited a fierce, unstoppable passion for learning. She was a voracious reader, a seeker of knowledge, and a firm believer that an educated mind is a doorway to infinite possibilities.

As you step forward into your academic journeys, you carry a piece of her spirit with you. May her hunger for reading, curiosity, and constant growth inspire you to press past every obstacle and reach for your highest aspirations. We are immensely proud of your achievements and honored to support your bright futures.

A Note of Deepest Gratitude To the Sixth Avenue Baptist Church Family,

From the bottom of my heart, I want to express my deepest gratitude for the unwavering love, care, and devotion you continuously showed my mother. Your support was a steady light in her life, and the warmth of this community meant more to her and to our family than words could ever truly express. Thank you for walking alongside her with such grace and kindness.

With love and appreciation,
Rod White & Family
Son
