THE LAZY HAZY CRAZY DAYS OF SUMMER

Summer should be a time of relaxation and perhaps doing something a bit crazy or at least different. This is the time of the year that in Chinese Medicine features the heart as the organ that dominates our emotions and actions. Ideally it is a time of joy, excitement, fun and relaxation. In the spirit of these days and the sense of adventure we could feel, I am proposing that our 10:30 service liturgies be “different”. They will all be Eucharistic and follow the basic pattern of the BAS worship, however we will pull from different sources for prayers and hymns. Kevin is excited to use some different music for the next few Sundays. Just a note that he will be taking a very well deserved holiday for the last two Sundays in August.

We will begin this Sunday by using the form of Worship authorized by the General Synod for “Emancipation Sunday”. Technically it was the last Sunday in July however the actual date of the Proclamation that freed all slaves in the British Empire, including Canada, was August 1. So we will be celebrating on Sunday, Aug 2nd. Over the next five weeks look forward to Celtic and other liturgies. We will borrow freely from the Anglican Communion and also Ecumenical Partners. In addition, we will use prayers and Faith Declarations created by our own members. It should be fun and interesting and, I hope, spiritually stimulating and rewarding. Don’t worry, life will return to normal after the hazy crazy days of Summer end at the beginning of September. In the meantime, if you have ideas for me please don’t hesitate to share.

Living the 5 Marks of Mission

WHEN YOUlisten with all your heart - honour your elders - encourage young people to be active in church often and loudly - choose good over evil - Welcome the stranger - write the government about the issues that matter - invite a co-worker to church - help your dad do housework - get messy with school kids - say "Thank the Lord" and mean it - tweet your blessings one by one - introduce your grandkids to nature - read and share God's word – Pray-

THEN YOU ARE LIVING THE MARKS OF MISSION

August 6 feast of the Transfiguration

Collect O God, who on the holy mount revealed to chosen witnesses your well-beloved Son, wonderfully transfigured, in raiment white and glistening: Mercifully grant that we, being delivered from the disquietude of this world, may by faith behold the King in his beauty; who with you, O Father, and you, O Holy Spirit, lives and reigns, one God, for ever and ever. Amen.

**THE PRAYERS FOR THE SICK
HERE AT TRINITY**

Here at Trinity we take seriously the power of prayer and the biblical injunction to pray for one another. This is particularly important when one of our members is facing medical emergencies or suffering from longer term ailments. You have probably noticed that during the Prayers of the People or Intercessions, we have two categories for these prayers, short term and long term. The names of the lists reflects the intentions of the prayers. When we put someone onto the prayer lists we make pastoral notes about the reasons and who has referred this person. This helps the clergy to provide pastoral support if required and also for the office to follow up and enquire if the person is still in the critical stage of the medical problem. If we find that the crisis has passed we remove people from this short term list. In some cases people will still have ongoing needs for prayer and we move their names to the long term list. It is sometimes a challenge for the office and clergy to know everyone's status and sometimes we will make mistakes. We deeply appreciate it when someone contacts us and helps us keep our records and prayers on track. We want to honour our commitment to hold one another in prayer and thank you for your support in doing this ministry. Rick+

Check your Closets and Purge.

It is once again, time for our Migrant Workers to come back to Ontario to work in our fields and greenhouses to plant, prune and prepare our crops for the season. Most come back unprepared and need help with work clothes. Huron Farmworkers Ministry offer the workers a free warm dinner on Thurs & Fri nights plus a table of good used clothing. If you could donate any clothing that you no longer need, we would be very grateful. We need **MEN'S AND WOMEN'S CLOTHING**, SIZES SMALL – LARGE. Coats, shoes, boots, hats, socks, rain protection, whatever you have they will use. If you can't help with clothing, we sure could use some help serving the dinners and setting up and down the tables and chairs. If you can't help by volunteering, a cash donation would also be gratefully accepted. Check your closets and purge. It is such a good feeling to clear out unused stuff and it goes to such a good cause. **THANK YOU!** Donations can be dropped off at the church, **TUESDAY-FRIDAY** mornings or **THURSDAY & FRIDAY** afternoons FROM 3-7 P.M.
