Hi Anna Walter!

New Bible Translation f

A friend is working on a new freely-copyable, Modern Japanese Bible for Japan. **Only about 2% of people in Japan identify as Christian.** There are other Bible translations in Japanese, but the Japanese Freedom Bible will be the only complete Bible in clear modern Japanese and free from all doctrinal bias. So far, he has made drafts of Genesis through Jeremiah and put them online. Work is continuing on the rest of the Bible. If you want for this work to continue with speed and accuracy, please help among all Japanese-speaking people.
