Dear Pastor & All Church Members,,
Greetings in the precious name of our Lord Jesus Christ!

I hope you and your family are doing well and experiencing God's peace, strength, and abundant blessings. It is always a joy to stay connected with you through this monthly update. Thank you for your continued prayers, encouragement, and partnership in the ministry. Your support means so much to us.

New Delhi Updates

Mantar Student Protest

This month, Jantar Mantar in New Delhi became the centre of a nationwide student movement led mainly by Gen Z. The protests began after concerns over the NEET examination paper leak and other alleged irregularities in the education system. Students expressed deep frustration, saying that years of hard work, preparation, and hope for a better future were being affected by a lack of transparency and accountability.

After 36 days of peaceful demonstrations, the Government accepted the resignation of Union Education Minister Dharmendra Pradhan. It also agreed to withdraw legal cases against many student protesters and announced support measures for families affected by the exam controversy. Following these developments, the protest concluded peacefully.

As we reflect on these events, let us continue to pray for the young generation in India, that God would grant them wisdom, hope, justice, and opportunities to build their future with integrity.

Office Update

At present, my dubbing work has not yet resumed. During this season, God has graciously given me time to focus on my office responsibilities and to participate in various spiritual activities, including fasting prayer meetings and Bible studies.

For many years, most of my time was spent travelling for dubbing and recording work. This season has been different, allowing me to serve in ways I had not experienced before. Whatever assignment the Lord gives me, my desire is to serve Him faithfully and bring glory to His name. I thank God for teaching me new lessons and helping me remain available for His purpose.

Family Update

We are thankful to share that our daughter has recently moved from New Zealand to Darwin, Australia. Both she and her husband are serving as teachers in the same school. Also, my daughter's children attend the same school. We thank God for that blessing. Please pray for them as they adjust to their new home and community. Pray that God will grant them a smooth transition, good health, wisdom in their work, and provide for all their needs according to His perfect will and abundant riches.

Ministry Prayer Requests

- 1. Pray that God will open more opportunities to share the Gospel, especially among the younger generation, and that many lives will come to know Christ.
- 2. Pray for protection, unity, and wisdom for everyone serving in the ministry, that we may remain faithful to God's calling.
- 3. Pray for believers and Christian ministries in India who are facing persecution. Ask the Lord to strengthen their faith, protect them, and give them courage to continue proclaiming the Gospel with love and boldness.

Thank you for remembering us in your prayers. We are deeply grateful for your partnership in God's work. May the Lord richly bless you and your family, strengthen your faith, and fill your hearts with His peace and joy.

With love in Christ,
Vinod Alexander [Sent from Yahoo Mail for iPhone](#)
