

A Washington Christian Church Newsletter

August 2026

Whew! Hopefully we have beaten the heat from the month of July! August is looking to be another exciting month here at WCC. July 9 will be our annual Ice Cream Social. We are looking forward to this time of fellowship together. Swing by the church from 6-8pm and enjoy some homemade flavors with us!

The start of the next school year is rapidly approaching. A day that is either celebrated or maligned...depending on who you talk to. Many teachers have already begun preparing their classrooms. Please be in prayer for our school staff this month as they get ready to embark on another year of teaching our youth. Or, here's another way you can help: for the third year, the local Thrivent office is partnering with Thrivent members and community volunteers to adopt every teacher in Washington County. The goal: fulfill each educator's \$125 wish list and remind them that their community is praying over them, encouraging, and supporting them as the school year begins.

As exciting as the fulfilled wish lists are, we hope this project communicates something even more important, our educators are loved. As a church family, you are invited to participate in achieving this goal and contributing to the Adopt a Teacher project. In addition, we ask you to join us in praying for our schools this year. Pray for students as they learn, for teachers as they encourage and inspire, and for every staff member who helps make our schools places where kids can be wildly successful. We are blessed with incredible educators in Washington County, and it's a joy to come alongside them in both practical ways and through prayer.
