PRESSING ON BY HIS GRACE

God's work often advances in ways beyond our comprehension. The gospel continues to move forward through every tract distributed, every person evangelized, and every meeting where the gospel is preached.

Edification Meetings

This new church is made up of families, most of whom had never attended or visited a church before. They are learning biblical foundations to strengthen their convictions, clear up doubts, and—for some—prepare for baptism.

We ask for your prayers that they may learn the importance of consistency in spiritual habits, as well as the importance of faithfulness and active participation in the local church.

Discipleship in Homes

We are currently discipling several families who have opened their homes for weekly meetings. We are teaching them, and some are praying about inviting their neighbors. Our goal is for every brother and sister to learn and become a discipler—bearing fruit by witnessing to a neighbor or friend, and then discipling and encouraging them in the ways of the Lord, in fulfillment of Matthew 28.

Witnessing for Christ

We are fasting and praying that God will use us on the streets of Mosquera. We witness for Christ every week, emphasizing the gospel and trusting that God continues to work through His Word. I am encouraging some of our brothers and sisters to start going out with us and learning how to do this.

Prayer Requests

- Wisdom to lead and counsel
- That our visitors may be saved and discipled
- Strength for new believers
- Provision to cover church expenses

In Christ,

Christian, Cinthya, Camila y Mateo.
