Dear Praying Friends,

After years of praying for one man, we finally watched him trust Christ. What a joy it has been to witness the Lord answer this long-awaited prayer.

In a Thursday evening service in early July, Douglas asked to speak with Br. Mike Ring and shared that he was ready to trust Christ as his Savior. We have prayed for Douglas for many years. When Pamela was saved, they had been living together for twelve years. Earlier this year, she made the decision to separate, to honor the Lord.

Douglas shared with Br. Mike that he was ready to place his faith in Jesus Christ. As they talked, Br. Mike was careful not to lead him into simply repeating a prayer. Instead, he wanted to be certain that Douglas understood the gospel and that his response came from his own heart. By God's grace, Douglas personally expressed his faith in Christ that evening.

Pamela & Douglas

Since then, Douglas has begun a Bible study with Br. Mike each Monday. Please pray for Douglas and his growth in the Lord. His salvation has been a tremendous encouragement to our church family. God answers prayer!

English Service

Raquel and Nicky have continued to come out to study Scripture using the material from Paul Chappell titled *Continue*. After receiving an English-Portuguese Bible last week, Nicky came to the Bible study having thought through and marked passages in his Bible with a color-coded system he created. We are so thankful for the Holy Spirit's work in both of their lives. He is looking at US and Canadian colleges that offer the best scholarship. Pray with us as Nicky seeks direction for his future so that he will be in a place where he will be able to continue to grow in the Lord.

US Trip

This past May and June, the Lord also blessed the trip to the United States for my nephews and niece's high school graduation. Rafael Jr. plans to attend Bob Jones University to study Civil Engineering and Political Science, Maryana will attend Pensacola Christian College to study Early Childhood Education and Art, and Lucas is making plans for his future as well.

During that trip, the Lord also added Freedom Life Baptist Church in Texas, under Pastor David Pigott, as a new supporting church. I am grateful for the Lord's continued provision through His people.

This weekend our teens will attend a two-day winter camp. The Lord used our summer cookie sales to cover the expenses for the three teens from our church—**Thayana, Anne, and Guilherme**. Please pray that the Lord will use the preaching, fellowship, and activities to draw them closer to Him.

On August 22, our church will host the annual **Gaúchos para Cristo Conference**, which encourages churches throughout Rio Grande do Sul to reach cities and towns that have little gospel witness. I have been asked to organize a Fanny J. Crosby hymn concert; we will have several churches participating. Following the conference, we will once again distribute John and Romans during the week-long Expointer outreach.

We are also excited to welcome Johnny back to serve with us this August. Many of you may remember him as our former intern. He recently completed his Bible college coursework and will officially graduate in November. Please pray for Johnny as he settles into Porto Alegre, serves alongside our church, and seeks the Lord's direction for the future.

Thank you for your faithful prayers, encouragement, and support. I am grateful to labor together with you as the Lord continues building His church in southern Brazil.
