Missionary Allan Delgado, Sarapiquí, Costa Rico
Report

Delgado Family, serving the Lord in Sarapiquí, Costa Rica.

Report April—July

Westwood Lake Group

May the Lord bless you. We want to share with you some of the blessings and opportunities that God has allowed us to experience during these past months in the ministry in Sarapiquí, Costa Rica. We appreciate your prayers and constant support.

April

We continued with the children's club in the Cristo Rey neighborhood and with the children's ministry in Sunday School. Thanks to the Lord, Sunday attendance has continued to be a blessing.

May

In May we celebrated our church's 26th anniversary and enjoyed a very special celebration and fellowship with many brothers and sisters who joined us. Thanks be to God for His faithfulness throughout all these years.

June-July

We also had the Youth Retreat with the fellowship churches, with the theme "Lights in the World." The preaching was very edifying and God spoke to the hearts of many young people.

Since April we have been working on physical improvements to the church. God has allowed us to move forward with the bathroom remodeling. Although much remains to be done, we trust that the Lord will provide everything in His time. We also received with great joy the help of First Baptist of Westwood Lake, from Miami, to paint our church. We were able to repair part of the roof and the walls that needed it, and we painted almost the entire building. Only a few details remained due to the rains, which we hope to finish soon, God willing.

We had a very special time with the brethren from Westwood. We enjoyed good preaching, fellowship, visitation, work with the children, and wonderful companionship. We also visited the Poás volcano and took a beautiful coffee tour. Additionally, we participated in the youth gathering of the church in Canalete. *Thank you so much, brethren from Westwood, for your love, generosity, and service. God bless you.*

Thank God for our Vacation Bible School. Despite the extremely rainy weather, the children from the church attended, and two children were saved. Glory to God!

Brethren, I share these needs with you and ask that you pray to the Lord for them:

Samuel's need: That God would provide the resources for Samuel's adenoid surgery. This condition has greatly affected his breathing and nasal health. The approximate cost is \$2,300.

Church need: For the electrical work we need to do at the church to obtain the certification required by the Ministry of Health. The approximate cost of this work is \$2,500.

Thank you, brethren, for your support, for being part of this ministry with your prayers and offerings.

God bless you richly!

We share the following link to watch a brief video with a summary of the ministry during this quarter.
