The God Who Restores

There has been a theme to our services lately...rebuilding and restoring. It's no coincidence. With our church, it's the heartbeat. Rebuilding those that the enemy has tried to tear down. Restoring those that feel thrown away. Have you ever felt that way? Then maybe this is for you...

In Joel 2, God says, "I will restore to you the years that the swarming locust has eaten..." What an amazing thought. God not only put us back together, but restores what was taken. He rebuilds. He renews. Throughout the Holy Scriptures, we see a God who specializes in restoration.

We are grateful for the chance to be just like our Father. We desire to rebuild those who are broken down and restore those that feel left behind, destroyed, and abandoned.

My prayer for you is to see you come to understand that we have a good good Father, who is interested in restoring you!

In Christ,
Pastor Mike
