Hello Anna Walter!

Thanking God for you!

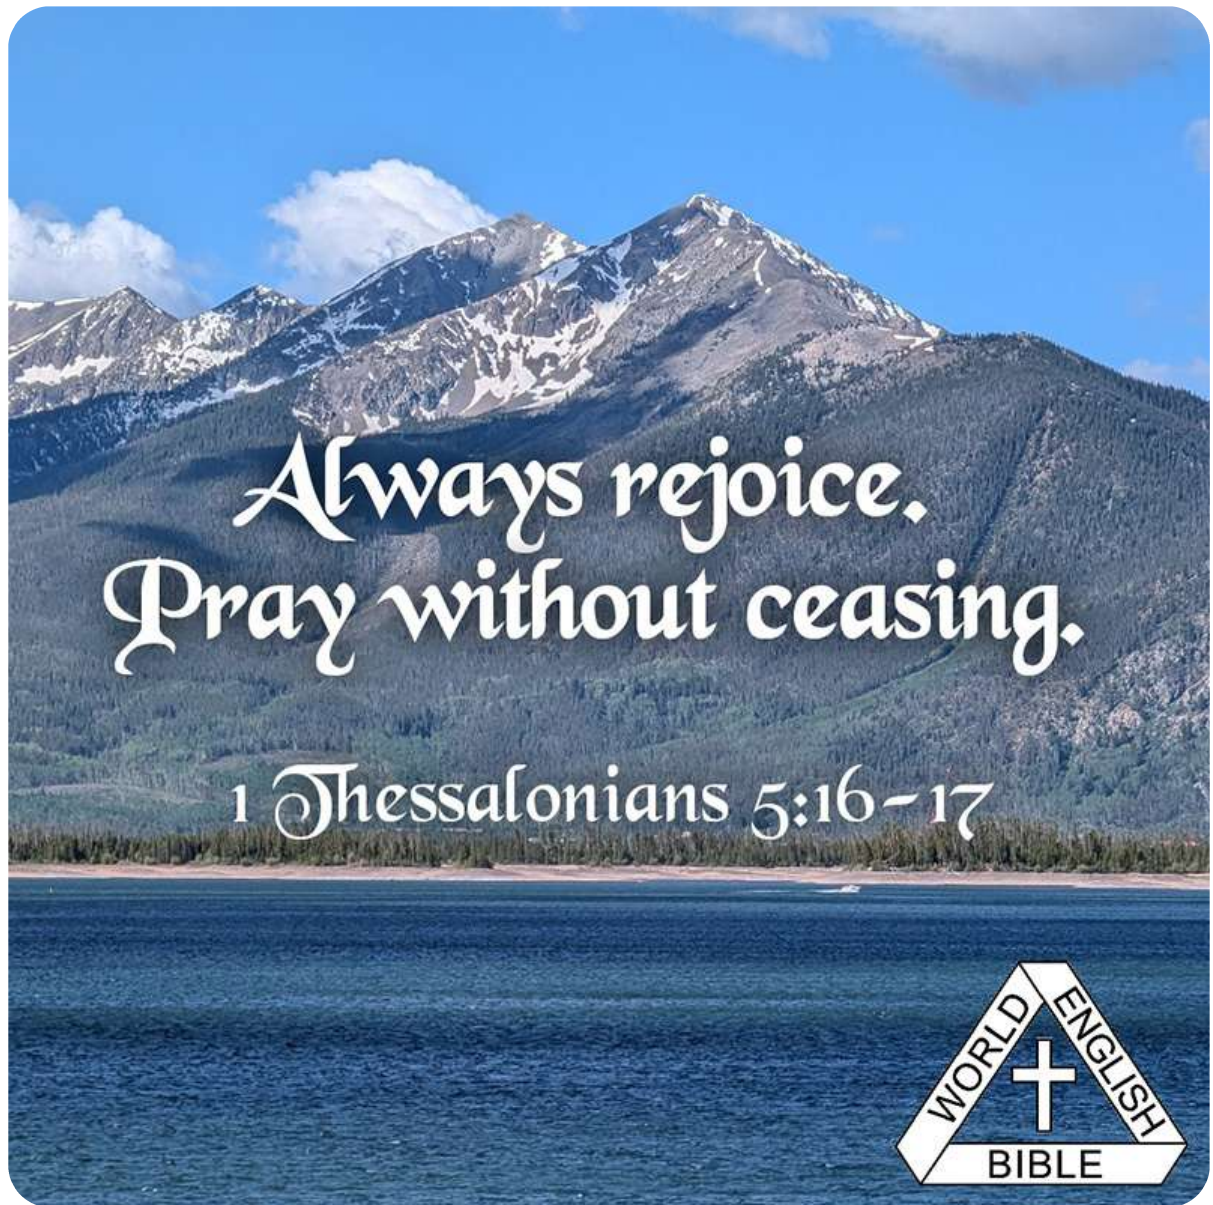

**In everything give
thanks, for this is the
will of God in Christ
Jesus toward you.**

1 Thessalonians 5:18

I have totally lost count of the many thanks we get for the World English Bible and for the many other Bible translations that we distribute. I usually don't pass those on, because (1) I'm hesitant to ask permission to do so from everyone who sends them, (2) they would dominate the prayer letters, and (3) I don't want to seem to be promoting myself. Just in the last few days, I got two thank-you notes via email, four by text messages, and one by a phone call. Some are grateful for their own personal study, but most of the very grateful people are those who are doing things that are difficult, costly, or sometimes impossible with the usual copyrighted Bible translations. Those things include building the Bible into Bible study tools of various kinds, Bible study apps, devotional books, and derivative works including new Bible translations. It is always good to get confirmation that the World English Bible and many other Bible translations are getting used in many ways.

All of this ministry, and all of the gratitude, of course, ultimately goes to God. However, God, in His wisdom, has chosen to use you, our partners, to pray for us and to fund this ministry. Both of those things are essential. Obviously, even a highly-efficient digital ministry still has costs, including software engineering, linguistic work, computers, software, Internet service, etc. Thank you for your prayers and supporting the work of getting God's Word out to the world!

Thank God that

- We logged **over 655 Million Scripture deliveries in 1,541 translations!** That is 3 million more deliveries and one more Bible translation than last prayer letter.
- We have awesome prayer and financial partners making our ministry to the world possible.
- God's Word never returns to Him without doing what He sent it to do. (**Isaiah 55:11**)

Prayer Requests

- Wise balancing of competing time demands.
- Supernatural productivity for me and our volunteers.

- Wisdom to know which projects to take on, and which ones are best left for someone else.

How can we pray for you, today?

Thank you for your part in our Ministry!
May God bless you!

We don't charge for Internet access to the Holy Bible in any language. We rely on donations to fund the costs of our ministry, since asking people to pay for access to the Holy Bible is not a very effective evangelistic strategy, not to mention impractical for most tribal language groups. If the Lord prompts you to donate, please do. May God bless you.
