Here are a few items we can focus on today to help express our faith by joining in praise and prayer.

God's word says:

Therefore I tell you, whatever you ask for in prayer, believe that you have received it, and it will be yours. Mark 11:24 (ESV)

> Please pray for the Barker family as Harold has passed away. A lovely service was held for Harold this past Thursday, with many fond memories shared of the beautiful life he lived with Norma and their family. Harold loved the Lord and it was very evident in the way he lived his life. As one of the original members of NRCC, formally known as Calvary Baptist Church when it all began in 1949. You will be missed!

> Praise the Lord for answering our prayers for baby Kennedy! The Doctors at McMaster University said that because the baby's organs, including her heart are all developing appropriately and she's growing - that they're not considering the fluid levels around the baby's heart a significant concern at this point but will continue to monitor both her and Leah for infection. Please pray for the fluid levels around the baby's heart to decrease as well as for Leah as she is just a few weeks away from delivery.

> Please pray for Keith Hunter, he's blood clot surgery has been postponed to Aug.14. Also prayer for Sharon as she supports him, and peace as they wait.

> Please pray for Terry a father of a KCA student. Terry has been improving slowly, and the prayer request right now is that he will start to be able to move his body. Pray for his wife Gwen and daughter as they journey with him through this very difficult time.

> Let's continue to pray for KCA/KELC staff, students and families. These are ministries of Nashville and we are excited to continue building relationships with KCA and KELC.

> Who do you see and interact with each day that you can pray for? Is there a way you can show them God's love in other practical ways? What will love look like when you live it out?

> Continuing in Prayer

> Continue praying for one of our KCA parents Jenny who is fighting cancer. Also, for her husband Marty and their 2 children as they support her on this journey.

> Continue praying for Amber for healing of her autoimmune condition, and her family as they care for her.

> Continue praying for Adele's health journey.

> Continue praying for Nicole's daughter Elise, she has been properly diagnosis with Dysautonomia/Pots Syndrome. Also pray for Nicole as she supports and cares for Elise.

> What are some areas of need in your life or in the lives of others that you can bring to God in faith?

It's a privilege to pray for each other. When you have an item for praise or prayer to share with our Nashville Road family - [you can click here to share a praise or prayer request from our church website](#)
