Do you have an abundance of produce from your garden? Share the harvest! **The Sun Prairie Garden Share Program** is a simple way for those with an abundance to bless others in our church family and community. Everyone is welcome to donate fresh produce, and everyone is welcome to take what they can use! Place your clean fresh produce on the Garden Share table in the foyer. A garden produces more than vegetables. It grows generosity, fellowship and gratitude. Thank you for helping us share God's blessings with one another, one basket at a time! Thank you Amber Blagg for facilitating this!
