

1 SAMUEL 9 AND 10

Now, let's apply this to our own lives:

At the end of Chapter 9, Samuel tells Saul God has a special message for him. Next, oil is poured on Saul's head and Samuel tells Saul he is the ruler of Israel. Wow! That is a big surprise! God has big plans for our life, so don't be surprised if He wants to do big things with you. We all have an anointing on our life and that is what we are focusing on in this devotional.

Anointing: setting apart as holy, for a specific purpose, the power of the Holy Spirit equipping someone to do God's work

Taking Another Step:

Oil is used for anointing. You have probably seen it at church. Is this weird or cool? If you don't know what this is, ask your adult or Kelsie.

Do you think that God can make anyone or anything new? Why? What can He make new in you?

1 Samuel 10:9 says Saul's heart changed instantly! No one in his hometown believed what Saul was saying. Should we listen to what other's say or what God says?

Sharing Time: Do you like surprises? This whole scripture is about surprises! Do you think anything surprises God? What is a way God has surprised you?

Prayer Time: God, thank you that you can make all things new, including me. I know nothing surprises you God and you have everything planned, the good and bad. Thank you for choosing me to change, love, and watch over.
