***SICK DAYS** are allotted per contract year, based on the number of days your child is scheduled. Ex. If your child is scheduled on M, W, F you receive 3 Sick Days to use for the Sept-Aug contract year. You must email or call to request to have any of your sick days applied, and will receive a credit for the day. Sick days do not roll-over.

***VACATION DAYS** must be provided at least 30 days in advance via a form turned into the office, and you will not be charged for the days taken from regularly scheduled care. Forms are located at the front Parent Information Center, near the time clock.

SCHOOL AGE CARE If your child is scheduled for before or after school daycare on a day there is no school, we assume they will be in attendance that day and bill for a full day of care. In September, please look at the school calendar and provide a list of dates your child will **NOT** need care on days the school is closed and you will not be charged for these days.
