Greetings once again from Tela, Honduras. We are grateful for your faithful prayers and support. We pray God continues to bless you and use you to further His Kingdom.

Throughout the month of June, we held several evangelistic events in various villages around Tela. On one occasion, it began to rain. I honestly expected everyone to run for cover. Instead, people pulled out their umbrellas and remained seated throughout the course of the preaching.

In July, I went to visit my mother, who has been staying in San Pedro with two of my sisters. A neighbor in the apartment complex learned I was a pastor. He asked me to visit him and pray that he would be free from his many addictions. I also presented the Gospel to him, and he prayed to place his faith in Christ. We continue to pray for Antonio, that he would experience the victory he now has in Christ.

In July we celebrated Esther's 50th birthday. The church people had three different surprise parties for her. It was a very special time. It's hard to believe the years have gone by so quickly. Where did they all go?

We are grateful we reached the goal of the wall and fencing around the front and back of the church property. Our next big project is the big metal roof over the area next to our building. It will be used for additional seating, parking, a fellowship hall, or gymnasium. The architect has finished the plans, but our contractor has yet to give us a final quote as to what all the materials will cost.

Thank you again for your faithful prayer support. Please pray the Lord raises up more laborers to help with the work here in Tela.

Sincerely,

Napoleon & Esther Flores
