MISSIONARIES TO THE PHILIPPINES

Dear Prayer Partners,

May—July 2026

We made it safely to the United States on June 2, and we praise the Lord for His provision and protection! God has been good to us and provided one of our biggest furlough needs—a vehicle to use for the six months we are here. We are so thankful for how He used one of our supporting churches to meet this need. Our prayer was answered above and beyond what we asked for. Even the insurance for the vehicle was covered! Praise the Lord!

We have already visited 21 churches and traveled through Virginia, Alabama, North Carolina, South Carolina, Tennessee, Pennsylvania, Ohio, Indiana, Illinois, and Missouri. It has been such a blessing to see our supporting churches, families, and friends, as well as visit a few new churches. We are grateful for every opportunity to share what God is doing through the ministry in the Philippines.

Please continue to pray for our travels as we visit more churches over the next four months. We praise the Lord for filling our schedule, and our desire is that God would use us to be a blessing and encouragement to each church we visit. Please pray for strength, wisdom, safety, and opportunities to be a help and encouragement along the way.

We are also very thankful that while we are here on furlough, the church plant in the Philippines has continued to do well. We have a fellow BIMI missionary friend who comes to preach at the church, along with several of my local pastor friends. We are also thankful for the four men in our church whom we have trained to teach and preach.

We praise the Lord for the reports of people being saved and discipled through the ministries of Gospel Way Baptist Church. It is such an encouragement to see the members growing in their faith in God and becoming more willing to be used by Him. We have also seen more church members giving their time and becoming involved in the ministries of the church. One of our specific prayers has been that the members would remain faithful and continue serving the Lord even while we are away.

Please continue to pray that God will add people to the church and that He will continue to strengthen and spiritually grow each member. Pray also that the Lord will continue to give wisdom and strength to those who are leading and serving while we are away.

We are so thankful for each one of you and for your faithful prayers and support. We always keep you in our prayers as well.

May God continue to richly bless you all!
