Welcome To St. Luke Cedar Hill

We acknowledge that we gather with respect on the traditional territories of the Ləkʷəŋən speaking peoples, known in our day as the Songhees and Esquimalt Nations, the traditional custodians of these lands.

We are grateful for their hospitality.

With Deep Appreciation ...

We thank the parish of Saint Luke Cedar Hill, Rector Daniel Fournier, the Wardens and congregation for opening the historic sanctuary to our music.

We thank Interim Music Director Alan Whitmore for assisting the Parish bring our Baldwin Model R Artist Grand Piano (1992) into its new home this past fall. The piano enhances our parish life and enables us to offer our heritage sanctuary building to the community as a performance-quality acoustic venue.

We thank the many individuals and families who have generously donated toward The Grand Piano Project.

The work of the Project is ongoing:
