Announcing

Rio Texas Conference 2026

This year's Rio Texas Conference was very enlightening! The ministry offerings and hearing the impact of the Lydia Patterson Institute from the young people was amazing! The Legacy of Huston-Tillotson University and the exciting advancements on the campus is priceless.

Bishop Harvey's message was powerful and moving! The invitation to pray on our knees was beyond words and a true witness. The Deacons and Clergy sharing their journey was transforming and raw. Our commitment to the church and community was renewed.
