

Fruit – It Starts in the Heart

What situations in my life bring up feelings inside me that do not line up with the fruits of the Spirit?

What am I comparing my internal responses to?

Is it other people's reactions, acceptance, or culture's standard?

Or is my standard for how my heart responds the fruit of The Holy Spirit?

Does the word of God penetrate my intellect?

What have I found recently, in my heart, while reading and engaging the word?

Knowing that our heart directs our lives, what outcome, result or consequence will your heart produce if nothing changes?

What do you need to repent for and submit to God?
