

BAPTISM

Go Public With Your Faith

Baptism is a **public declaration** that you have decided to follow Jesus.

Jesus Himself was baptised and instructed His followers to do the same.

“Repent and be baptised...” — Acts 2:38

Baptism represents:

Buried with Christ

Your old life is gone.

Raised with Christ

You are made new.

It doesn't save you — **Jesus saves you.**

But baptism is your **first act of obedience.**

At Neighbourhood Co we practice **full immersion baptism**, symbolising death to sin and new life in Christ.

Who Should Be Baptised?

Anyone who has **personally decided to follow Jesus.**

What Happens Next?
