

Dear Friends,

I have a riddle for you. What is black and white and red all over? To find the answer to this riddle, please read all the way to the end of this article! Sometimes life calls for seriousness. Other times, we need to laugh a little.

As a church family, we need to walk in solidarity not only with one another, but with our community – especially with those who are hurting and struggling. My goal is to equip both of our churches to focus on the work of making disciples of Jesus Christ. We are already doing this, but with God's help, we are going to do better. This is going to take some serious commitment from both churches as we test what works best to lead our churches in this wonderful work.

Where I am personally as your pastor, and where we are in our fifth year together at St. Andrew's and fourth year at Nolanville FUMC, I am about to turn up the level of seriousness in terms of living out our mission to make disciples of Jesus Christ for the transformation of the world. I perceive that God is leading us in this direction in a strong way. Are you ready for this? Please join me in prayer as we discern even more clearly where God is leading.

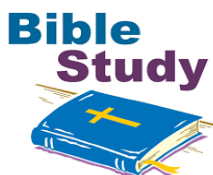

Over the month of September, we are going to refocus on feeding the hungry and what that means to us as believers. I am asking Nolanville FUMC to continue the good work of supporting the food pantry. Let's bring in a big haul of donations that they need the most. St. Andrew's is going to be doing a special drive for the Nolanville Food Pantry as well! As you can see, the more we work together as churches, the happier I get as your pastor! Please keep up the good work. I see those who are working to collaborate together and this makes my heart so happy. Together, we are stronger.

Then, in the month of October, we are going to focus on generosity. Be excited with me as we strengthen our witness for what Christ is doing among us! Along the way, we are going to HAVE FUN, no matter how difficult life gets! We are going to LAUGH! We are going to enjoy what God is doing! We are going to grow in our love for God and our neighbor.

Do you know the answer to the riddle? The answer is a newspaper – black and white and red all over! Thank you for reading this newsletter all over! Love you all so much. Blessings, Pastor Terry
