Welcome Messages

Dear Friends,

As summer unfolds into fall, and in the months ahead, fall will shift into winter, so our spiritual lives are invited to transform through the seasons of life as we be still and know God as The Living Presence. With the fall schedules, activities, and commitments returning, may we be mindful to cherish devoted time to re-engage, refresh, and root more deeply and firmly our relationship with God. May these Centre gatherings and practices support and strengthen your longings for the Presence of God, inner wellness and community connecting. Hope to be with you along "The Way."

Come, Holy Spirit, Come,

Lorie Martin

Director of The Centre Inter-parish Ministries

Croeso cynnes iawn aton ni

I find myself in these hot final weeks of summer, often wishing it away to embrace the crisp air of Autumn. Summer is very often full of fun and activities, and more recently smoke and a little fear. With Autumn winds, come the clearing of the air and the falling of the rain. Washing away smoke grime and replenishing the grass and roots. We hope within the humble little pages of this booklet you'll find answers, questions, and wisdom about the journey the Centre has been on and where we have landed too.

Warmest Regards,

James Xavier Lam

10:00 am - 12:00 pm.

St. Dunstan's Church, Aldergrove

Facilitated by Rev. Helen Tervo and Rev. Jeanne Forte

Chronic pain disrupts every aspect of a person's life. We often focus on the physical, in hopes that a cure may be found. In the meantime, we become limited in the things that give us joy. Our time together is an opportunity to explore the cost of chronic pain, to sit with our grief over losses, and to be with each other. We're not looking for cures, only the miracle to carry on. This group welcomes pain bearers, care givers and hope searchers.

Experiencing the Tradition of Contemplative Prayer

Formed by Silence

THE CENTRE FOR
**SPIRITUAL
RENEWAL**

Saturday, October 24th

9:00 am - 2:00 pm

Online via Zoom

Facilitated by: Nicholas Fournie & Rev. Dr. Therese DesCamp

Formed by Silence is a free online retreat offered by The Contemplative Society. It is designed for seminarians and young faith leaders aged 40-and-under, offering a transformative entry into the Christian Wisdom tradition through contemplative stillness. Rooted in the 14th century mystic text *The Cloud of Unknowing*, this gathering guides participants from theological study into direct experience via Centering Prayer (an apophatic practice of self emptying silence) and the somatic Welcoming Practice for embodying divine presence in daily life. The retreat unfolds over two live sessions (9:00–11:00 AM & 12:00–2:00 PM PST), extended by a private digital cohort with recordings, a 30-Day Practice Guide, and curated resources.

More than silent prayer, this retreat provides divine therapy for the pressures of ministry formation, renewing hearts through God's compassionate welcome, while fostering genuine connections among emerging leaders who share a passion for Christian Wisdom and spirituality. In a dedicated space for young voices, you'll meet peers navigating similar vocational paths, building relationships that endure beyond the sessions through ongoing online gatherings. Made possible by the bequest of Constance Irene Burns, it's an invitation to rest, encounter mystery, and emerge formed by silence for resilient, authentic leadership.

Sunday, 1st November 2026

6:00pm - 8:30pm

St Dunstan's, Aldergrove

Facilitated by Heather Ruce

The Paschal Triduum in spring invites us to explore Christ's death and resurrection, reflecting on our own transformation. Similarly, the fall Triduum of Halloween, All Saints, and All Souls encourages us to confront mortality, honor those who have passed, and seek a deeper understanding of life beyond death. Through teaching, reflection, and spiritual practice, we will embrace our shadows, connect with the communion of saints and ancestors, and acknowledge losses. As autumn transitions to winter, these sacred days will serve as a time for letting go, remembering, and deepening our connection to the mysteries of life and death, offering this exploration for the benefit of the world.

Who is the Centre?

The Centre began at St. Dunstan's in 2018 when Rev. David Taylor and Rev. Lorie Martin joined dreams, experience, and energy to develop the Centre for Spiritual Renewal. They gathered the already existing spiritual formation programs in the church and added a beautiful grass-path labyrinth, weekly contemplative practices, occasional workshops, studies, and community retreats. The life of the Centre flourished as many were drawn to this type of spiritual experience.

The Centre at St. Thomas provides a wide variety of spiritual support and practices to help us on our Christian journey. Contemplative prayer practice groups, retreats, study groups, spiritual direction, and family & children's formation are offered here to parishioners and all Chilliwack and area community members.

We value the mystical tradition of silence as well as the community experience of worship, and recognize that physical things such as bodies are expressions of the holy. St. Anselm's is a congregation of all ages and backgrounds, and is fully inclusive. We host community lunches, bible study, and care for the homeless in Point Grey. We have a choir, thoughtful and engaged spiritual events, and we are involved with contemporary issues. This is a place where all of God's children are welcome, regardless of race, gender, or sexual orientation. We are a safe space for LGBTQ+ individuals, their families, and allies.

We envision a Cathedral which is radically inclusive, restlessly inquisitive, intentional, and inspired. This is a place that is called to lead and to serve, in communion and in community, with healing, reconciliation, and love, living out Christian mission. Together, we look to the power of Christ for the transformation of each person, this city, and the world.

All Saints in Mission BC is pleased to be part of the Centre for Spiritual Renewal. Partnerships between Parishes is an important ministry in our fragmented world. Beyond Sunday Morning Worship All Saints has developed ministries of Healing Prayer, Lectio Divina, Labyrinth Prayer Walking, Mid-week Eucharist, Bible Study, and occasional Workshops. It is an eclectic group of ministries designed to engage a wide range of spiritual preferences and practices. St. Mary's Kerrisdale is a progressive Anglican Church, in the heart of Kerrisdale (Westside of Vancouver). For over 112 years St. Mary's has been a steady presence in the community, as a result, several generations of families have called St. Mary's home. We are a community of communities, people come from all over Greater Vancouver from a variety of postal codes to be a part of St Mary's.

St. Laurence is an inclusive Anglican parish in Coquitlam that serves the Tri-Cities and is the newest community to join the Centre for Spiritual Renewal. Our hope is a simple one: to be a place where the curious, the searching, and the tired are truly welcome, and where honest questions about faith and life are met with warmth rather than pressure. The Centre at St. Laurence holds together head, heart, and hands: thoughtful conversation, contemplative practice, and lived care for our neighbours. Through the Centre, we hope to offer opportunities for spiritual renewal across the Tri-Cities and to people in nearby communities such as New Westminster and Burnaby.

Nurturing a deepening awareness of God

The CENTRE FOR SPIRITUAL RENEWAL extends a warm invitation to gather in person or online for life-giving opportunities to connect and deepen in relationship with God, oneself, and others.

The Centre offers retreats, study, prayer, and practice groups, workshops, conferences, and spiritual direction.

The Centre is about supporting people on their spiritual journey using a variety of spiritual traditions to experience God's love, wisdom, and healing; that we may be a loving engaged presence in community and for the world.

What is The Centre for Spiritual Renewal?

The Centre for Spiritual Renewal is a Christian Formation coalition that began in 2018 at the Anglican Parish of St. Dunstan, Aldergrove, and has now expanded to include St Andrew's Langley, St. Thomas, Chilliwack, St. Paul's, Vancouver, and All Saints, Mission.

The Centre's development was assisted by the Diocese of New Westminster (DONW) Parish Development School and continues to be supported by Parish Development grants as its scope expands. In 2022, the Centre focus broadened to include spiritual formation gatherings for children, youth and families. The Diocese further encouraged the Centre ministry in 2025 by supporting an Inter-parish Co-ordinator and a Communications facilitator to assist parishes in the DONW who want to establish a Centre with their congregation. This initiative is to offer clergy and congregations resources and support to grow this ministry without it being a burden. Each parish has its own distinct Centre and can be connected to the Inter-parish ministry and program.

What does The Centre do?

At the Centre, we have a strong desire to grow in God's grace, to be a place where people come to encounter God's loving presence, and to experience an authentic faith community. We invite all to gather, learn, pray, and practice in ways that are meaningful to each person.

Integration & Transformation

How does The Centre work?

Parishes offer weekly, monthly, and occasional events that are either 'Drop-in' or require registration with a suggested fee. Scholarships are provided so all may come. A warm invitation is given to all.

Who is involved in The Centre?

Trained leaders and specialized facilitators from a variety of walks of life offer a broad spectrum of spiritual practices, studies, and workshops. We highly value local leadership and at times the Centre hosts an event with a high-profile facilitator to encourage our learning and practice. The Centre has a group of advisors who meet regularly to listen together and share from their experience, skill-sets, and wisdom. This has proven to be a very valuable encouragement to the directors of the Centre.

The Advisor Team is: **Archbishop John Stephens, Rev. Tellison Glover, Rev. Jessica Schapp, Rev. David Taylor, Rev. Dixie Black, Rev. Anne Crosthwait, Gene Fraser and the parish priests:**

Rev. Areeta Bridgemohan, Rev. Paul Bowie, Rev. Clarence Li, and Rev. Lorie Martin, Rev. Roberta Fraser, Rev. Philip Cochrane, Rev. Ron Culmer, and Rev. Alecia Greenfield.

'**Integration & Transformation**' are two key words that mark the life and flow of the Centre. Participants are experiencing spiritual vibrancy and a sustaining connection to God which affects all areas of life, faith and family. We have noticed that those who join Centre gatherings from outside the church are drawn in and some return to parish life. Those within a parish are curious, inspired, and drawn to return to practices from their Anglican roots. There is a weaving together of lives integrating into the parish's community life, spiritual growth and renewal to love and serve the world.

The Intention of the Centre team and gatherings is reflected

in the focus to invite participants to compassionately **listen** to Spirit, self, and others; to **engage** in an open and authentic manner, and to **rest** in the transforming "Presence & Action" of God.

Spiritual and Healing Care

Spiritual direction or spiritual companionship is an ongoing relationship in which a person desirous of being attentive to their spiritual journey regularly meets with a spiritual director/companion (usually once a month) for the purpose of becoming more attuned to the presence of God's spirit in all of life. It is a listening time to explore what matters to us: our joys, struggles, hurts, hopes, fears, and dreams. It is a time to consider our relationship with God, ourselves, and others and discover and drink from the Living Water of the Indwelling Spirit.

Listening Prayer: This is a form of prayer where one meets with prayer facilitators in a quiet setting to listen with you and invite God's healing presence into your present dilemma or an unhealed memory. Listening prayer is a time where compassion, comfort, and truth come to areas of confusion, pain, and anxiety bringing deep restoration and lasting peace. It is a time of listening to God to deepen connection and relationship

The Ministry of Listening Prayer is available through the Parish of St. Dunstan. **Contact Lesley Wieler** lesleyjwieler@gmail.com

Healing Touch : This is a form of the ancient art of hands-on healing described in the Bible. It is a prayerful practice that works with the energy fields that surround each of us to restore balance in the body's energy system. This practice promotes listening to the body, healing, a deep sense of relaxation, and supports the body's natural ability to heal. Healing Touch complements traditional approaches to healing. Healing Touch is understood as a process to restore balance and wholeness of body, mind and spirit. By intentionally becoming grounded, centered in the Light of Christ and God's healing love, healing can happen.

The Ministry of Healing Touch is available through the Parish of St. Thomas.
