Before he was chosen to be king, David was a shepherd boy tending his father's sheep. It was in the fields that David learned to trust the Lord and develop a personal relationship with Israel's God. David loved God. God helped David to be brave when facing the lions and bears that would attack his flock. It was David's faith in God and his walk with God that enabled him to face Goliath and become Israel's greatest king.

Seven sheep have wandered away from the flock. Help David find all of them and return them to the flock. You may have to take more than one path to collect all of the sheep.
