Whom Will You Serve?

I. The Choice (14-18)

There comes a time when we need to decide if it will be God that we will serve.

II. The Challenge (19-22)

There will be challenges to keeping our commitment to serve God.

III. The Confirmation (23-28)

There are things in our lives that need to be put out, and to be put in, to fulfill our commitment to serve God.

The blessed life is the life that serves God.
