

Little Owls Classroom News September

CLASSROOM NEWS

**Hello Little Owl Families,
We had such a wonderful first month together. We loved getting to know each other and our classroom routines. We began our first letters and covered topics like patterns, big/little, color mixing, and so much more. This month we will explore what it means to be an artist and a bug scientist. And, we'll enjoy hands on learning with our five senses.**

SUPPORT LEARNING AT HOME:

It is our goal to have basic name recognition & some name writing in our skill set by the end of semester one. Please work daily with your child on recognizing & name tracing. Play a game and have them find their name!
