Writing 6-10
Counting and recognizing teen numbers
Introduce time to the hour :00
Pennies
Ordinal numbers
2D Shapes
Simple addition
Science
Weather and seasons
Water Cycle
S.S
My Community
Art
Frida Kahlo

UPCOMING EVENTS

SEPT 7

Labor Day No School

SEPT. 11- 18

Scholastic Book Fair

SEPT.14

Grandparents DAY

SEPT. 24

Picture DAY

SEPT. 24

Tucson Botanical Gardens
Field trip

OCT. 5- 9

Fall Break

OCT.12

No school 9 Teacher in service

Time goes by fast! We are starting our second month in kindergarten. September has a few important days, and more details will come as we approach them. Our first field trip is coming up and it is very exciting for the students. Our trip to the Botanical Gardens aligns with our artist of the month, Frida Kahlo. We will have the opportunity to explore an exhibition.

I strongly recommend reading 15 minutes every day. The impact it has in our scholars' academic life is very positive and contributes with a lot in their learning journey. Not only does it help with their reading, but it also provides the students with new vocabulary, self-confidence, develops imagination and gives you a nice time together.

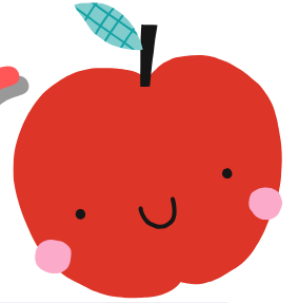

All the materials sent home are tools for you as a parent to support your kids with their academics at home. Please reach out with any doubts or concerns. I hope you enjoy the fun and learning at home activities with them. This can be adapted or changed with any ideas you have. Send it back at the end of the month with the marked activities you did so I can recognize them and cheer them on.

Mrs. Clara
