SEPTEMBER 2026

BY FAITH

Are you in a situation that you can't seem to wrap your head around? Something that has caught you off guard? You don't have answers? Direction?

Time after time we can find ourselves in all too familiar places where we can check "Yes" to all these questions, and in those times, what do you do?

Faith can seem like a cop out...or too simple. But according to Scripture, faith is much more than simply believing. It carries the weight of being convicted and persuaded, or "stuck to"...like glue. Having faith in the Lord is being convicted...persuaded that He can deliver, give direction, heal, save, restore, and the list can go on and on.

No matter where you find yourself or what you're experiencing, Christ is faithful. Christ is true. Christ is our help in times of need. No matter what it looks like, have faith that He is moving!

In Faith,
Pastor JT
