In the foreground, a woman in a white shirt and a man in a black shirt are kneeling on the sidewalk, praying with their hands clasped. Other people are visible in the background, some standing and some walking. The street is illuminated by bright lights from buildings and billboards.

Frontline Evangelism & Spiritual Awakening

*“Go into all the world and
preach the gospel to all
creation.”*

— Mark 16:15

The Gospel on Wheels

70

motorcycle taxis became moving invitations to hope

We printed and distributed 70 reflector jackets to riders, each displaying Mark 1:15 across the back: "The time is fulfilled, and the kingdom of God is at hand. Repent, and believe in the gospel." A QR code beneath the verse links directly to our website for prayer and faith resources. Every ride through every neighborhood in Dominican Republic is now a moving invitation to know Jesus.

NYC Outreach & Baptisms

More than 30 people surrendered to Christ in Daytona Beach, while over 100 salvations were recorded across New York City. Baptisms in Times Square, Coney Island and Dobbs Ferry Waterfront Park became public declarations of new life, with worship and outreach continuing at Grand Central Terminal, the Brooklyn Bridge, Jones Beach, Yankee Stadium, and the Bronx.

Reaching the Enslaved in Pakistan Brick Kilns

Families in Pakistan's brick kilns live under bonded labor slavery. Our local ministry team continue entering kiln communities—bringing pastoral care, courage, and the liberating message of Jesus.

Celebrating the Savior

A joyful Hosanna march, a night of prayer and Jesus film screenings in Pakistan helped local villages encounter the story of Christ with fresh understanding

Compassionate Relief & Community Care

*“For I was hungry and you gave me something to eat...
I was a stranger and you invited me in.”*

— Matthew 25:35

Flood Response in Pakistan

Through the water, toward the need

Our team walked through floodwaters to deliver food and clean water, and carried children to safety. As communities mourned lives lost, urgent relief made possible by your faithful support became a tangible expression of God's care.

Caring for Widows & Orphans in Pakistan

Grocery boxes reached widows raising children alone in rural communities. At the orphanage, an off-grid solar system—panels, battery, and fans—brought relief during 43°C heat. This care builds on prior winter clothing and heater donations.

Feeding Families in the Mountains

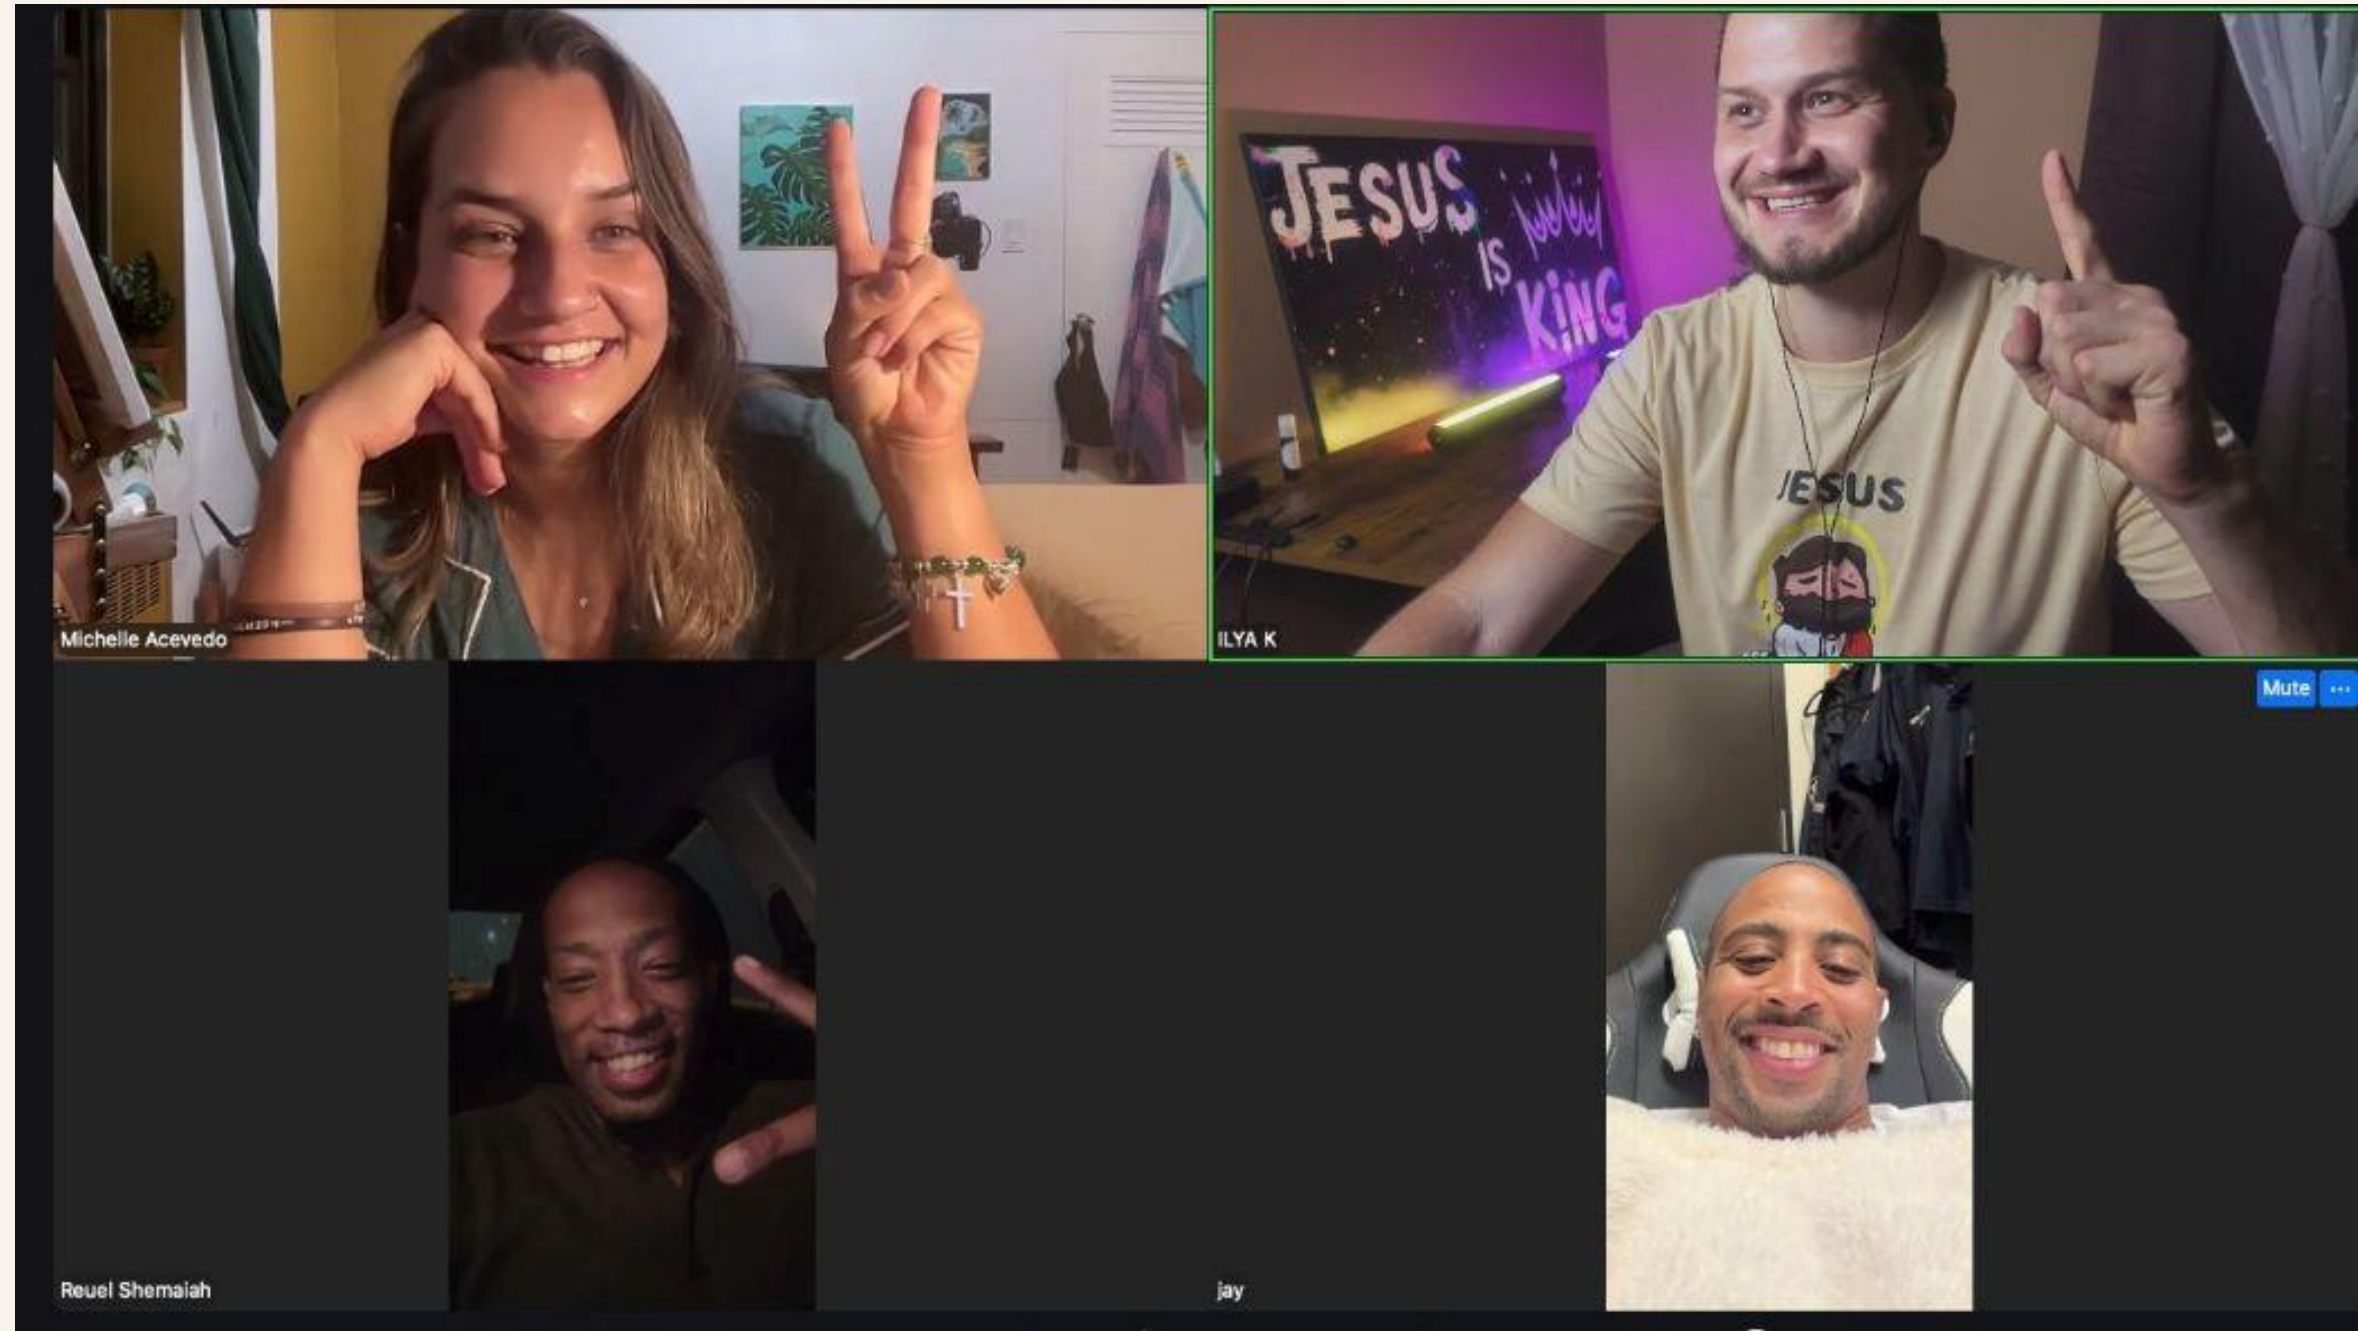

During the recent Dominican Republic mission trip, food distribution to mountain families made faith visible

Training & Equipping Believers

“As iron sharpens iron, so one person sharpens another.”

— Proverbs 27:17

Weekly online Iron Sharpens Iron calls equip believers to grow, share their faith, and disciple others. A new-believer roadmap website offers a clear six-step guide and links directly into the weekly community.

From the Precinct to the Pulpit

“Then I said, ‘Here I am! Send me.’”

— Isaiah 6:8

Our founder’s journey moved from NYPD service and the police boxing team to full surrender to Jesus and into ministry leadership. His recent appearance on the Purpose Over Pension podcast shares how calling can redirect a life of service toward eternal impact.
