A MESSAGE FROM YOUR PASTOR

The Rev. Dr. Jordan Miller-Stubbendick

There are many things in which St. Mary's Lutheran Church can take pride. One of these things is the strong legacy of offering spiritual formation opportunities for its young people. For a long time, St. Mary's has been a place where youth and young people can gather, know that they belong, and that they are loved by God – whether or not they have another connection to St. Mary's.

This sense of inclusion and belonging for youth has been important for many years, and it continues to matter a great deal. This fall, the 6th-8th grade confirmation program at St. Mary's, known as **FISH**, will continue in this legacy.

This fall, we are happy to welcome youth from Spirit Alive and Trinity/Lakeside Lutheran Churches in Kenosha to join the **FISH** program alongside youth from St. Mary's and friends.

St. Mary's Youth Director Kendra Richter has been doing a wonderful job of teaching the confirmation curriculum in the **FISH** program. She will continue to do so, but will be joined by myself, Pastor Wesley Isberner of Spirit Alive Lutheran Church, and Pastor Becca Laabs of Trinity and Lakeside Lutheran Churches. Together, the four of us will take turns teaching the confirmation students.

I am grateful that our churches can come together to nurture and support our youth in this way. Now more than ever, it matters that the youth in our community have a reliable place where they know they will be warmly welcomed, they belong, and they can learn about a faith tradition that can offer a steady foundation for their lives.

FISH will kick off on **Monday, September 14 at 6:30 pm** for students and parents. Please plan to join us and bring a friend!

Thanks be to God for the strong legacy of spiritual formation for youth at St. Mary's, and for the ways it continues to evolve!

Peace,

Pastor Jordan

A Message from Church Council President—Quarter 3—September , 2026

*"Each of us should use whatever gift(s) you have received to serve others,
as faithful stewards of God's grace in its various forms."*

— 1 Peter 4:10

Hello, fellow worshippers of Jesus Christ.

At **St. Mary's Lutheran Church**, we enter this new fiscal year celebrating God's constant presence among us. The Holy Spirit guides our path forward as we prepare for **Rally Day on Sunday, September 13** and the days to follow. Let us walk together in Jesus's love, ready to grow, connect, and give back to God a portion of the time, talents, and treasure He has so abundantly blessed us with.

Here are some ways for us to grow and serve each other. I apologize if I missed any.

Ways to Grow and Serve

Music Ministries

- Adult Choir: Lift your voice in praise and fellowship. Led by Dr. Richard Sjoerdsma.
- Handbell Choir: Ring out joyfully with our musical ensemble. Led by Nathan Larsen.

Discipleship and Learning

- Sunday School/children's ministry: Nurture the faith of our youngest members. Led by Joan Oehlberg.
- Youth ministry: Connect middle and high school students in faith and fun. Led by Kendra Richter.
- Book & Bible Studies: Dive deeper into Scripture and literature. Led by Dr. Richard Sjoerdsma and Andrea Beer.

Community Fellowship/Ministries

- Friendly Center: Gather for connection, activities, and support for our older adults. Led by Lisa Zanin.
- Care Ministry contact Nurse Sue
- Stewardship contact Stephanie Raszkievicz
- Worship, Music, Arts contact Dr. Richard Sjoerdsma
- Office volunteer contact Beth Kerscher
- Church in Society contact Anne Winkle
- Property contact Dave Frost or Dave Sandahl
- Women of the church contact Cheryl Hayes

Giving Back to God

- Time: We can dedicate our hours to prayer, worship, and service.
- Talents: We can share our unique skills to bless our faith community and our surrounding communities.
- Treasure: We can support our shared mission and ministries in this new fiscal year.

Prayer

Gracious and Loving God,

We thank You for Your constant presence and the gift of a new season at St. Mary's. Fill us with Your Holy Spirit as we step forward into this new fiscal year. Guide our hearts to walk in Jesus's love, and open our eyes to the ways we can serve You with our time, talents, and treasure. Bless our leaders, our ministries, our church family, and our community as we gather for Rally Day and the days that follow. May everything we do bring glory, honor, and praise to Your name.

Amen.

Respectfully Submitted, Andy Schroeder, Council President

NURSE SUE - AURORA FAITH AND HEALTH TEAM - SEPTEMBER, 2026

Dear Friends,

September is recognized as **National Cholesterol Education and Awareness** month. This month I would like to discuss with you some facts about Cholesterol and Low-Fat Diets. Your blood cholesterol level has a lot to do with your chances of getting heart disease. Many studies have shown that people who lower their blood cholesterol levels (by drugs, exercise and /or diet) can reduce their risk of heart disease and death.

When there is too much cholesterol (a fat-like substance) in your blood, it builds up in the walls of your arteries. This can cause “hardening of the arteries” so that the arteries become narrowed and blood flow to the heart is slowed down or blocked. Blood carries oxygen to the heart, and if enough blood and oxygen cannot reach your heart, you may suffer chest pain. If the blood supply to a portion of the heart is completely cut off by blockage, the result is a heart attack.

Everyone aged 20 and older should have their cholesterol measured at least once every 5 years. It is best to have a blood test called a “lipoprotein profile” to find out your cholesterol numbers. This blood test is done after a 9 to 12 hour fast and gives information about your:

Total Cholesterol Level - which should show a reading of less than 200 mg/dL –desirable

LDL (bad) cholesterol – the main source of cholesterol buildup and blockage in the arteries. Levels below 100 mg/dL are considered near optimal; below 70 mg/dL may be recommended for those at high risk of heart disease.

HDL (good) cholesterol – helps keep cholesterol from building up in the arteries. Levels 40-50 mg/dL or higher are considered protective; ideally levels 60-80 mg/dL

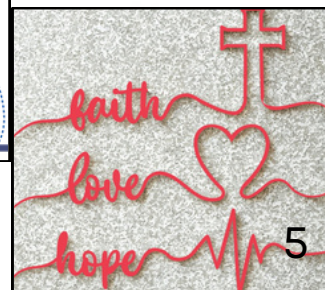

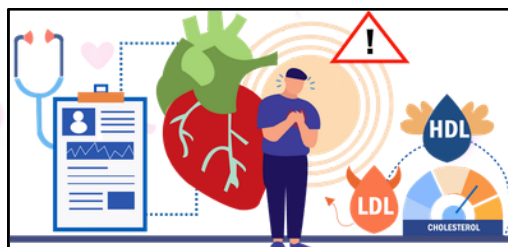

Triglycerides – another form of fat in your blood. Levels below 149 mg/dL are desirable

What Affects Cholesterol Readings?

- **DIET**-Saturated fats and cholesterol in the foods you eat makes your blood cholesterol rise. Check the food labels for saturated, cholesterol and trans-fat which are the culprits in raising levels. (Organ meat such as liver, egg yolks, and full-fat dairy products are foods high in cholesterol) TIP: Increasing your soluble fiber in your diet can reduce cholesterol levels. Good sources of soluble fiber include oats, certain fruits (such as oranges, kiwi and pears) and vegetables (such as brussels sprouts and carrots), and dried peas and beans.
- **WEIGHT**–Being overweight is a risk factor for heart disease and raised cholesterol. Having a large waist measurement (more than 40 inches for men and more than 35 inches for women) is a risk factor.
- **PHYSICAL ACTIVITY**–regular activity for 30 minutes every day can reduce levels
- **HEREDITY**–High blood cholesterol can run in families. Genes can partly determine how much cholesterol your body makes.
- **AGE and GENDER**–As we age our cholesterol levels rise and women over menopause show LDL levels rising to meet same age men cholesterol levels.

The Lord has graciously given us all good things to sustain our physical, emotional and spiritual lives. May your feasting on healthy foods, strengthen your bodies in energy for service, your relationships in love and especially your spirits in hope. If you have any questions or concerns about this topic, please contact me.

CALLING ALL CRAFTERS!

Looking for two days to work on your projects? Whether you scrapbook, quilt, crochet, knit, or whatever your hobby may be, come join us for two days of crafting and fellowship.

We will host the two day event in Fellowship Hall on Friday and Saturday from 8am until 10pm. There will be two opportunities per year. One in February and the other in November. The cost is **\$10 a day** which will cover the building rental fee and one 8' table or 5' round table. Feel free to bring in snacks to share to keep you fueled for two full days of fun. Your table can remain set up for the entire time so you can come and go as you please. Someone will always be in fellowship hall to make sure your items are secure.

Mark your calendars for:
November 13th & 14th, 2026
February 5th & 6th, 2027

My name is Cheryl Hayes. If you have never met me, I am a part of the team that brings the **Food on the First "Red Bags"** to the **Kenosha Welcome Center** after you generously fill them with food every month since August of 2023.

I have been volunteering for the **Kenosha Welcome Center** since 2019 in many capacities.

This volunteer job has been both challenging and extremely rewarding for me.

There are others in our congregation that have joined in on the efforts of feeding our Kenosha community. **Carol Shadduck, Di Michalski, Christy Burmeister, Justine Hammelev-Jones and Florence Hammelev** volunteer at the Food Pantry often!

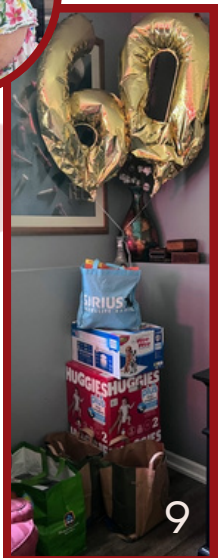

If you would like to know more about volunteering or what the **Kenosha Welcome Center** does for our community, you can contact any one of us and we would be happy to tell you more.

There is literally something for everyone to do at the **Kenosha Welcome Center**. Most of it requires no lifting. There is computer work to do, bags to fill, etc. that requires no lifting.

We are a fun group! Think about joining us!

KWC will take any donations at any time. Here Beth K. collected donations for her birthday (in lieu of presents) and donated them to KWC! This is Mike, the Assoc. Director. Mike@KenoshaWelcomeCenter.org or 262-351-7628.

"It was my first time there and I didn't know what to expect. It was so easy to do! The place is so clean and organized and welcoming!"

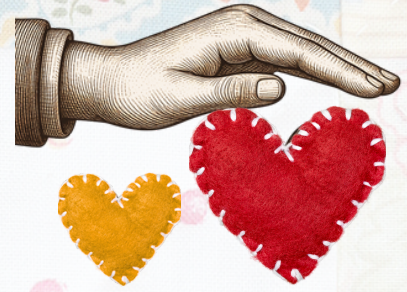

LUTHERAN WORLD RELIEF QUILT and KIT SHIPPING SUNDAY September 26 & 27, 2026

Donation envelopes will be available. Please make checks payable to "WELCA-St. Mary's Lutheran Church" memo: LWR

Shipping costs have increased dramatically since 2025. Personal Care Kits - \$1.50; quilts - \$2.80 in 2025. This year (2026) shipping cost for transporting, processing, storing and delivering quilts and kits is set at \$4.00 per item, reflecting an increase due to various global factors.

BLESSING OF THE
BLANKETS
DURING WORSHIP ON
THE WEEKEND OF
SEPTEMBER 26 & 27

St. Mary's Community Quilters is a group of members and volunteers who are friends with a shared purpose. We are continuing the tradition of sewing for others that has gone on for over 100 years at our church. Our synod contributes collected quilts to Lutheran World Relief for distribution around the world and in the U. S. We have currently boxed 110 quilts to be donated and will have the ones you see on pews ready to go to a distribution center at the beginning of October. We also donate locally to those in need through Kenosha Welcome Center and the ELCA Urban Outreach Center.

We have given these groups 108 quilts since October, 2026. We have also delivered 5 quilts to Lutherdale for their Auction this summer. As of August we have made over 260 quilts.

This active group meets every Monday morning from 9-12 in the gym. New members are always welcome, whether a member of St. Mary's or just interested in helping with the quilts.

From Oct. 1 through August, our group has spent 3523 hours sewing and tying quilts both at church and at home. Donations of thread, fabrics and sheets are welcome.

We also accept \$\$ and Thrivent Donation Cards to help purchase batting and thread.

THE THEOLOGY OF HYMNS

The Sunday morning book study class, led by Dick Sjoerdsma, will resume on **September 20, 10:15 a.m., in the Chapel/Lounge.**

The book to be studied is actually our own **LBW hymnal**, and the class is called "*The Theology of Hymns*." For centuries, hymns have been important statements of personal and communal belief, as well as reflections on our relationship to God and to each other. In this class, we will listen to, discuss the backgrounds, and examine basic tenets of our faith contained in the verses of some of our favorite hymns. All are welcome and encourage to attend.

SPEAKING OF MUSIC & HYMNS

St. Mary's Adult Choir will begin rehearsals on Wednesday, September 9 at 6:30pm in the Choir Room. The group is taking new interested members, especially men. Stop by or contact Dick Sjoerdsma (rsjoerdsma@carthage.edu) with any questions.

The Adult Choir sings 2-3x a month

St. Mary's premiere handbell choir, **Jubilate!**, begins rehearsals on Monday, September 14 at 5:30pm in the Sanctuary. Interested in playing bells? Contact Nathan Larsen (NathanLarsen2012@gmail.com). Jubilate! plays first Sunday of the month beginning on October 4.

St. Mary's youth choir, **A Chord with the Lord**, will be starting rehearsals again this fall! Middle School & High School ages welcome! Interested in knowing more? Contact Kendra Richter (kendra.richter13@gmail.com)

Play an instrument? Work on Sound & Video? Perform solos or duets? Contact Worship/Music/Arts committee chairperson, Dick Sjoerdsma for more information about participating in worship regularly or for special occasions or seasons.

NKOARANGA ORPHANAGE

The members of St. Mary's Lutheran Church have supported the Nkoaranga Orphanage owned by the Meru Diocese for many years.

On average, there are 30 children in the orphanage, from the ages of 0 to 3. The orphanage ensures that the children are adopted by a family by the age of 4. The family reunification is a major goal of the orphanage.

Our members will once again have an opportunity to donate to this worthy cause. The orphanage depends on donations to survive. St. Mary's Lutheran Church has been generous over the years.

- Jars will be available for donations on weekends in the months of September and October. You may also place a donation marked for the orphanage in the offering plate.
- Please make any checks payable to "WELCA - St. Mary's Lutheran Church" memo: orphanage.

Thank you St. Mary's Lutheran Church!

"CHRISTMAS IN JULY" - 2026

On July 31, a staff member from the Outreach Center happily stopped by to pick up 430 pounds of personal care items that St. Mary's members & friends donated. All those donations are greatly appreciated by people using the ELCA Outreach Center.

Many of us noticed prices at Dollar Tree stores increased by 25-50 cents recently, but for many people that use the Outreach Center, that increase makes it difficult to purchase needed items. A big "Thank You" to St. Mary's from the ELCA Outreach Center for helping those in need, especially as donations tend to be small during the summer months.

If you would like to help with this effort next year, just let anyone with Church in Society know. Extra hands and extra ideas are always welcome.

Pastor, St. Mary's Lutheran Church***

Dear Church Members and Friends,

There has been another recent attempt to impersonate me to scam others, using subject lines or email messages like "I need your help with a special project" or "Are you busy? I have a favor to ask you."

Please be aware of these imposter emails: do not open them, click on anything, forward them or reply to them. You can always check the sender's email if you hover over it and see that it is NOT from pastorjordan@stmaryslutheran.org.

If you have questions about any emails that seem to come from Pr. Jordan or St. Mary's, please do not hesitate to call me/the church office, or send me or the church office a new email asking if that was legitimate or not.

Thank you for your attention to this very important matter, and for bringing any suspected scam emails to the attention of the church office or to me.

Greater Milwaukee Synod has helpful information about scam emails.
