Greetings Synod Delegates.

We are writing to share resources for the upcoming Synod 2026. Each week until Synod begins, you will receive an email that includes a message, a poster, and one or two questions for discussion with your parish as you prepare to attend.

These messages are designed to support discernment before Synod by creating opportunities to discuss topics relevant to the Church, our diocese, and your parish. You may use the questions with your vestry, parish council, or parish table groups to identify what matters, what is changing, and how your parish can serve faithfully within the wider diocese. Feel free to use the poster and questions in your leaflet or display on your screen.

Each message poster includes a QR code that links to the diocesan website, where all Synod information can be found. It can also be found at <https://www.rupertsland.ca/synod2026>

If you have questions or concerns, please email teamrupertsland2026@gmail.com

.

Attached is this week's poster in both PDF and PNG format.
