Why Do We Need The Bible?

By Lisa Harper

The Bible is a wonderful book filled with poetry, historical events, exciting narratives, and stories from the life of Jesus, but because it is an ancient text, it can also be intimidating and confusing. Its complexity makes many people wonder if we even need the Bible—can't we experience God without it? In this series, author and Bible teacher Lisa Harper unpacks the value and importance of the Bible for everyday believers. In this series, we will learn about what the

Bible is, how God communicates with us through it, and why we should read it.
