

Stick With Me

Jeremiah 17:11

God wanted the people of Judah to search their hearts and turn back to him. Like many of us, we talk the talk, come to church with huge bibles, but our hearts are deceitful and far from God.

God told them that sin was engraved on the tablets of their hearts. God had given Moses the law written on tablets of stone and the people broke the law and the covenant. They are now in a broken relationship with God. Although they were a blessed people, God's patience with them was running short.

They wouldn't listen to God, but if you listen to God you will be like a tree planted by the rivers of water. If you don't you'll be a dry bush planted in the desert.

Start with God, choose him and stick with him. Don't return to your old ways and destructive habits. How long will you waiver between two opinions?

Don't be a partridge that sits on eggs it does not lay. If you don't wait on God you will abandon your blessings. Stick with God and be a good steward. Cast but a glance at riches and they are gone. They will sprout wings and fly away. Don't steal from God by being a Christian on Sunday and not one on Monday.

Don't be a fool and run from God, trouble, or take shortcuts. Only a fool will claim a God that he does not obey and yet have to stand before him on judgement day. Fools will be fools. The wise will be wise and grow in wisdom and understanding.

The wise will say, "Lord you are the hope of Israel and I will trust and depend on you." They that wait on the Lord shall renew their strength; they will mount up with wings like eagles, they shall

run and not be weary; and they shall walk and not faint. (Isaiah 40:31)
