Application Questions – *These questions are provided for your further study and application of the subject of today's message. Thoughtfully writing out answers to these questions will help drive home the point. They are designed to be discussed in your home, with other believers, and in a Growth Group for even more benefit.*

I. The Power of the Church

The power of the church comes from the Word of God

AND the Spirit of God.

II. The Purpose of the Church

The purpose of the church is to be a Witness for
Jesus in the World.

III. The Perspective of the Church

We must keep our eyes firmly fixed on the Ascended and
Returning King.

1. Have you ever had to wait for something important before taking the next step? What was that experience like?
2. Churches in America today tend to be either Spirit-focused or Bible-focused. How do we ensure that our church is both?
3. Being a witness for Jesus can be very intimidating. How do you, practically speaking, witness to others about Jesus?
4. How does focusing on Jesus' ascension and return help you in your day-to-day life?
5. If Acts 1:8 became the guiding mission statement for our lives, what would need to change about the way we spend our time, use our resources, and relate to the people around us?
