EVANGELISTIC SUNDAY

Ministry Update March & April Rejoicing in What the Lord Has Done

Dear Faithful Supporters and
Prayer Partners,

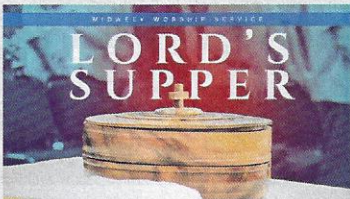

Warm greetings in the precious Name
of our Lord and Saviour Jesus Christ!

We praise and thank the Lord for His continual goodness and faithfulness throughout the months of March and April. The Lord has truly allowed us to witness His hand at work in our church ministries, outreach efforts, and spiritual growth as a congregation. Your prayers, encouragement, and support have been a great blessing in helping us continue the work here in the Philippines.

Last March 3, the Batangas Prayer and Fasting was held at Graceland. It was a refreshing and spiritually enriching time as believers gathered together to seek God's direction, revival, and power through prayer. Hearts were challenged and encouraged to remain faithful in the ministry.

On March 4, we observed the Lord's Supper. It was a solemn and meaningful service as we remembered the sacrifice of our Lord Jesus Christ and encouraged the church to remain spiritually clean and close to Him.

Then on March 17, again our church had the privilege of handling the Prayer and Fasting Fellowship. We thank the Lord for the opportunity to serve and minister to many believers through preaching, prayer, and fellowship centered on God's Word.

Another highlight of March was our 3rd Evangelistic Sunday held on March 29. We thank God for visitors who attended the service and heard the Gospel preached. Please continue praying that the seeds planted in their hearts will bring forth fruit and that more souls will come to know Christ personally.

As we entered April, one of the most exciting events for our young people was our Youth Camp held from April 1–3. The camp became a wonderful time of spiritual strengthening, preaching, games, fellowship, and personal decisions for the Lord. One special blessing was seeing the spirit of generosity and service among our church members. We only asked for a camp fee of 100 pesos for the entire 3 days and 3 nights so more young people could attend. The meals, cooking, and many of the camp expenses were lovingly prepared and provided by our church members. We were truly happy and blessed to give to the campers and serve them through this ministry. It reminded us once again of the truth that “it is more blessed to give than to receive.” We are grateful to see young people challenged to surrender their lives more fully to God and to live separated and committed Christian lives.

On April 8, we once again commemorated the Lord's Supper as a church family. It was another blessed opportunity to reflect upon Christ's sacrifice and examine our hearts before Him.

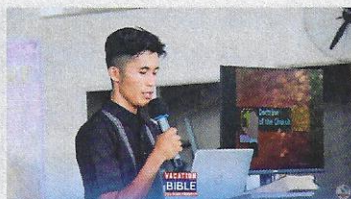

During our Bring & Share Lunch Fellowship on April 12, the church enjoyed a joyful time of food, fellowship, and encouragement after the services. Activities like this continue to strengthen the unity and love within our church family.

On April 21, we held another Prayer and Fasting Fellowship where members dedicated time to seek God's guidance, pray for souls, and intercede for the different needs of the ministry. We truly believe that God continues to work through the prayers of His people.

A major blessing this April was the start of our One Month Vacation Bible Training beginning April 22. Young people and workers are being trained and equipped through Bible lessons, ministry preparation, and practical service opportunities. Please pray that the Lord will continue to raise faithful laborers for His harvest.

Another great encouragement to our ministry is seeing the continued growth and prosperity of our Goodnews Ministry. By God's grace, many children are continuously being reached and taught the Word of God through this outreach. As part of our One-Month Vacation Bible Training, the students are being trained and equipped to teach children in the Goodnews Ministry more effectively. We thank the Lord for over 40 students who enrolled in this training program.

By faith, we decided to make the training completely free for all the students. Their meals are also provided freely each day by the church and generous brethren who desire to support the training of future workers for the Lord. The training will continue until May 18. Please pray for God's continual provision, strength, and wisdom as we continue investing in these young people for His service.

Also on April 22, we rejoiced in a Baptismal Service where five precious individuals publicly followed the Lord in believer's baptism:

- Thea Jemima Valencia
- Santino Macatol
- Rodel Bravo
- John Mark Flores
- Evan Manaog

We thank the Lord for their testimony and decision to obey Christ. Please pray for their spiritual growth and faithfulness in serving the Lord.

We are also excited to share that the Lord has opened another new outreach work in San Salvador. Construction is currently ongoing as we prepare the place for worship services and ministry opportunities. By God's grace, we are planning to hold our very first service there on June 7. Please pray for the completion of the construction, for God's provision for the needs of the outreach, and most importantly, that many souls in San Salvador will come to know the Lord Jesus Christ through this new ministry.

Lastly, on April 26, we conducted our 4th Evangelistic Sunday for the year. We are grateful for another opportunity to reach visitors and share the Gospel message. Our prayer is that many more souls will come to Christ through these evangelistic efforts.

We are truly thankful for your faithful prayers and support for the ministry. Every service, outreach, training, and soul reached is only possible through God's grace and through partners like you who faithfully stand with us.

At the bottom of this letter/report, we have included QR codes linking to videos from the different events and ministries mentioned above. We invite you to watch and rejoice with us in what the Lord is doing here.

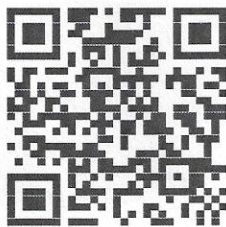

Please continue praying for:

- More souls to be saved
- Spiritual growth among our members
- Strength and wisdom for the ministry
- The young people undergoing Bible training
- God's provision for upcoming church activities

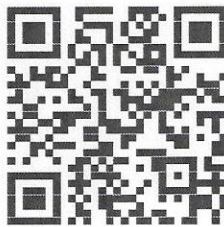

Thank you once again for your continued love, prayers, and support. May the Lord richly bless you for your labor in His work.

In Christ's service,

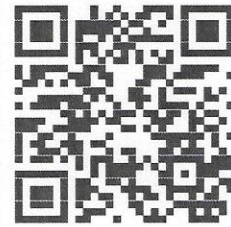

Bro. Rusty
