Help us keep the church campus clean.

Thanks for your help!

Family Ministry is a Pillar of The Fork. This year we will double down on every facet of our Family Ministries. I want to share with you what that looks like.

First off, we are revamping our **children’s ministry**. This began by hiring Madi Brock, our new full-time children’s minister. She is raising the standard when it comes to training, accountability, image, and development. Our volunteers will be screened, trained, and empowered. Sunday mornings for our children will be two-fold FAITH-FILLED and FUN! Wednesday nights we will dust off an old relic, Royal Ambassadors and Girls in Action. With the Boy Scouts going woke, we believe that this is an opportunity to reach people who want programs for their boys and girls without all the confusion.

Second, our **youth ministry** has a NEW NAME and a NEW ATTITUDE! Current Youth Ministry! Grayson Sanders and the team are training our teens to have a faith that flows and a life that connects. I love this! We have an amazing group of teenagers that I believe without a doubt will be making an impact on their campuses this year. Sunday nights are their BIG night with FOOD, FUN, and FAITH. However, Grayson also leads our teens in Bible study on Sunday mornings and Wednesday nights.

Our Reedy Fork **ladies** are always busy but this month we launch a new ladies Bible study on Sunday nights led by Audra Rheume. Audra is a gifted singer but an equally gifted teacher of God’s word.

We can’t proclaim that men should be the spiritual leaders of the home if we don’t pour into our men. Our **men’s ministry** also got a facelift and new purpose. Our monthly breakfasts are now vehicles for teaching and accountability. We are also hosting our first Men’s Retreat in years! Sept 24-26 at Hickory Knob, the theme...FORGED in the FIRE.

We want to develop **EVERY** part of the family. Because where the **FAMILY** goes...so goes the culture. I can’t wait to get started.

I love being your pastor,
Pastor Sean

Reedy Fork Baptist Church was planted over 150 years ago with a call to make much of the name of Jesus Christ here in the local community and the entire world. Our story in the past, present, and future is simply to make known the hope found in the name of Jesus Christ here, there, and everywhere.

WMU News

Here we go:

August is here !!!!! I know, me, too! I'm not sure how that happened, but here we are. School is starting back, football season is right around the corner, and we are exhausted and stressed out trying to get our kids ready. First, mark your calendar for August 8, the Back 2 School Bash to pray for teachers and students amid hot dogs, games, and prizes.

Then, while we are in a whirlwind with all our busy things, I would ask for a huge kindness from RFBC: Let's offer our teachers a word of encouragement and a goodie bag. We want to fill small gift bags and give one to each of the teachers of Grove Elementary, Woodmont Middle and Woodmont High. We would fill them with items such as felt tip pens, lip balms, little individually packaged chocolates, sticky notes etc. (I will have a more extensive list to pick up!) I would love to include a note of encouragement from our church in each bag so that these teachers know that we are praying for them and we thank them for their efforts in teaching the children of our community. Let's spread the kindness of Jesus in our community by touching these teachers in a tangible way. See me for details!

Pray for our Missionaries: Solomon and Unicey Nakka, Church Planters of Freedom Life Church in Albuquerque NM. They ask that we pray for those in their community to hear the good news and believe.

Also- please pray for the fellow believers and the underground missionaries of Yemen; a country of EXTREME Christian Persecution.

And next month, on Wednesday, September 9, we'll use the Bible study time to pack gift bags for the teachers at Grove Elementary, Woodmont Middle and High School. My budget to do this is \$1000 for the 220 gift bags that will be delivered to these schools. To stretch that budget, I'm asking RFBC to provide protein bars/ granola bars/breakfast bars to help us stay within the budget. I will have the items set up in the gym so we can pack right after dinner. When we complete the bags, we'll pray for those who will receive them. We hope you will help with this project.

In Christ Alone,
Janis Phillips

Hi, Reedy Fork Family,
I'm **Madi Brock**, and I am excited and grateful to be your new Children's Minister. I just moved here from the Charleston area, where I served in children's and student ministry. From my arrival at Reedy Fork, I have been overwhelmed by the kindness, encouragement, and genuine love that so many of you have shown me. Thank you! I already feel blessed to be part of this church family.

I've been getting to know many of our children, families, and incredible volunteers. One thing is very clear: there is a strong foundation here built by faithful people who have faithfully invested in the next generation. My desire is to build upon it as we continue creating a ministry where every child feels safe, has fun, builds relationships, and most importantly, grows in their relationship with Jesus Christ. My prayer is that every child who walks through our doors knows they are loved, valued, and excited to come back each week.

As we begin to work together, I invite you to be a part of what God is doing in our children's ministry. Whether you love teaching, greeting families, helping with crafts, leading games, rocking babies, or serving behind the scenes, there is a place for you. Investing in the next generation makes an eternal impact, and I would love for you to join our team!

Do you know about our **Back 2 School Bash**? It's a fun-filled day for our children and community as we celebrate the start of a new school year with games, inflatables, food, activities, school supply giveaways, and ways to share the love of Jesus with local families. We are looking for plenty of volunteers to help set up, decorate, run games, greet guests, serve food, and clean up afterward. To join in, email me at kids@myreedyfork.com. Thank you for helping us make Reedy Fork Kids a place where every child feels welcomed, loved, and excited to grow in their faith!
