SERMON NOTES

SERMON: Hebrews 10:19-25 | Since We. Let Us.

MAIN IDEA: Jesus transforms who we are and how we _____ our faith in Him to and with one another.

1. _____: **Who we are and what we have in Christ. (vv.10-21)**

2. _____: **What we must do because of who we are in Christ. (vv.22-25)**

Adjust: _____: Will you draw near to Christ? Will you hold fast to the confession of our hope in Christ? Will you consider how to stir up others in the church? Will you make the church a priority? Will you encourage others in the church?

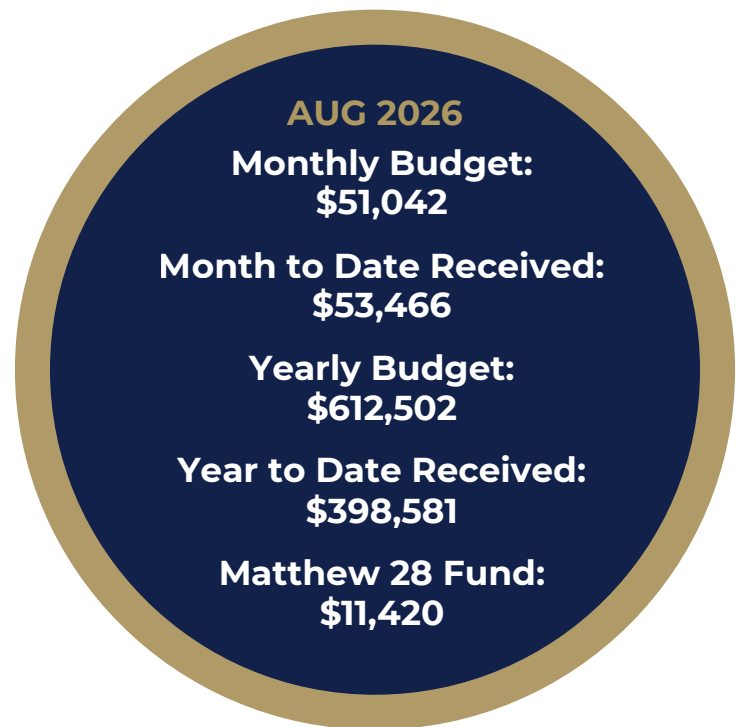

Application Questions:

1. Honestly evaluate your prayer life and time with God lately. Do you approach God with the "full assurance of faith" described here, or do you find yourself holding back out of guilt or fear?
2. What enables Christians to draw near to the Father with a sincere heart and full assurance of faith? How does Scripture affirm the certainty of our salvation?
3. What is the confession of our hope, and why is it vital to hold on to this confidence? How does God's faithfulness help us persevere? In what ways do God's promises encourage believers?
4. Why do Christians need the church? What unique support and community does the church provide that believers cannot find elsewhere? How does being part of a local church help us remain steadfast in our faith?
5. What is the role of discipleship in the local church (vv. 24–25)? How can we help one another grow in confidence of our salvation? What are some practical ways believers can stir each other to love and good works?
