Your support for Fundamental Missions, Inc. for the month of March 2026 was received with much thanksgiving. Please forgive the lateness of your receipt being mailed.

In the February receipt letter, I asked prayer that the rest of my daughter's household would not become ill with Covid as was her husband. Well, she, her son, and I, did get ill. We thank God for His mercy in this hard time. During this sickness I also fell again, and 911 was called. In picking me up, the men who came, caused my ribs to be injured, which took added time to recuperate.

Then there has been a fraudulent attempt to steal the funds I sent by wire to one of our faithful workers overseas.

All of this has been a difficult time for me, but I praise the Lord for His peace given so lovingly.

I praise our Saviour for giving understanding prayer partners for this small mission which is still the object of His love. Thank you, dear ones!

In His Strength,

Janet K. Matson

Thank you for your support to the ministries of Fundamental Missions, Inc. in the month of May 2026.

Mail service continues to be a problem, so if you do not receive receipt in a timely manner, please call me at 757-559-8960.

June 6 will mark my 83rd birthday. I did not expect to live this long, but I thank my Lord for His mercy and grace to me. My health is not good, but I can do more than many others. I deeply thank those of you who pray for me.

Enclosed are letters from Jun Catbagan and Walter Perera. I trust they will be a blessing to you. Bro. Jun, his wife Lulu, and another pastor flew to Macau, China today, to encourage the church there and also the church in Hong Kong which they will also visit, preaching and teaching in both congregations of mostly Filipino workers in that nation. They return, Lord willing, in early July. At this point, their trip to Italy to encourage another group of Filipinos in their desire to begin a church there will be postponed until 2027.

Please pray for Allen Smith in Liberia. He is in very poor health and is being checked for tuberculosis. Healthcare in Liberia is vastly inferior to our access here in the states. He needs our prayers and concern.

In our All-Sufficient Saviour,

Janet K. Matson

Dear Ma'am Janet and praying friends,

Warm Christian greetings in the precious and most worthy name of our Lord and Saviour Jesus Christ.

We thank God for His continued goodness, grace, and faithfulness throughout the month of May. As we look back upon the many opportunities the Lord has given us, our hearts are filled with gratitude. We are especially thankful for your faithful prayers, encouragement, and support for the ministry. Your partnership in the work of the Lord has been a great blessing to us. We would especially appreciate your continued prayers for us as we are not getting any younger, yet the Lord continues to open doors for the preaching of His Word and for the furtherance of the Gospel. Though the passing years bring physical challenges, we are grateful that the Lord continues to grant strength, safety, and opportunities to serve Him. We remain humbled that He still allows us to have a small part in His work.

On May 1, 2026, my wife and I traveled to Ampusongan, Bakun, Benguet, accompanied by our son, Bro. Arbie, who drove us throughout the trip. We were invited by Harvest Bible Baptist Church, formerly pastored by the late Pastor Domingo Lacbongan, to be part of their Revival Night on May 2 and their Church Anniversary Celebration on May 3. By God's grace, I was given the privilege of preaching His Word during both occasions. We thank the Lord for His protection and safety as we traveled through the mountainous roads of Benguet. It was a great encouragement to fellowship with the brethren and witness their faithfulness in continuing the work of the Lord. Despite various challenges, their love for God and commitment to the ministry remain evident. We are grateful for the opportunity the Lord provided to share His Word and to be a small part of encouraging and strengthening His people. All praise and glory belong to Him for what He continues to accomplish through His servants by His grace.

While we were in Ampusongan, representatives from the School of Tomorrow Philippines (ACE System) visited the church for an ocular inspection regarding our desire to expand Lighthouse Preschool by offering Elementary courses in the future. Pastor Doming Bumatay, together with Pastor Christopher and Sis. Bernadette Salili, assisted and accommodated the visitors during their inspection. They carefully evaluated the available classrooms and facilities and provided valuable recommendations. We informed them that we are prayerfully considering opening the Elementary Department not this coming school year but, Lord willing, the following school year. They encouraged us to begin preparing the necessary classrooms, facilities, and other requirements. They also advised that our teachers and staff undergo the required Christian Educators' Training. As part of this preparation, the teachers and staff of Lighthouse Preschool are scheduled to attend a week-long training at Grace Christian Academy in Baguio City from May 25–29, 2026. We humbly ask for your prayers for this endeavor, that the Lord would grant wisdom in planning, provide the needed resources, and guide us according to His will as we seek to expand this ministry for His glory.

Another great blessing this month was the Annual Moving-Up Ceremony of Lighthouse Preschool held on May 12, 2026. By God's grace, eighty-six pupils successfully completed their respective levels and moved up to the next stage of learning. We thank the Lord for the privilege of helping educate and influence these young lives not only academically but also spiritually. We are grateful for the dedication of our teachers, staff, and parents who worked together throughout the school year. It was a joyful occasion as we witnessed the progress of the children and recognized God's faithfulness in sustaining the school ministry. Thank you for your prayers and support, which continue to make this ministry possible.

On May 15, we once again traveled to Guinaoang, Mankayan, Benguet, to attend the Lighthouse Baptist Mission Anniversary and Church Organization. By the grace of God, the mission celebrated its 20th Anniversary on May 17, 2026, during the morning service. It was a blessed time of thanksgiving as we reflected on the Lord's faithfulness over the past twenty years in sustaining and blessing the ministry. The services were attended by several pastors, missionaries, deacons, and fellow laborers from various Lighthouse ministries, as well as visitors from other Baptist churches. By God's grace, I was given the opportunity to preach God's Word during these special occasions. We praise the Lord for His goodness and for the faithful efforts of many servants whom He has used through the years. It is a great encouragement to witness another church being established and strengthened to continue proclaiming the Gospel and serving the Lord in that community.

After returning to La Union on May 18, the teachers of the Lighthouse Fundamental Baptist Bible Institute (LFBBI) gathered for a planning meeting in preparation for the upcoming Graduation and Recognition Exercises on May 31, 2026. We thank the Lord for another year of training men and women to know His Word and serve Him more effectively. This year's Commencement Exercises will carry the theme, "Equipped to Shine as Lights in the World" from Philippians 2:15. We have invited Pastor Romeo Baccay of Nagtipunan Baptist Church to be our guest speaker for this special occasion.

By God's grace, we are looking forward to the graduation of Sis. Erich Nicolas, a young lady from Lighthouse Campsite/Baroro, who has faithfully completed her course of study. In addition, six students will be moving up to the next level of training as they continue preparing themselves for future service in the Lord's work. We thank the Lord for His sustaining grace in their lives and for the opportunity to have a small part in their training as they prepare for future service for Christ. Please pray that the graduation service will be a blessing and an encouragement to the graduate, the students, their families, and all who will attend, and that each one will continue to follow the Lord's leading and remain faithful in serving Him wherever He may call them.

We also humbly request your prayers for our upcoming trip to Makati on May 28. Our purpose is to inquire about the requirements in applying for a Schengen Visa and the necessary documents related to a possible mission trip to Milan, Italy. We ask the Lord for wisdom, guidance, favourable outcomes, and safety as we attend to these matters. Please pray that every requirement will be clearly understood and that God will direct each step according to His perfect will.

As always, we greatly value your prayers. Please continue to pray for our health, strength, safety in travel, wisdom in ministry decisions, the ongoing church ministries, the Bible school, the preschool, and the many opportunities God continues to open before us. We remain grateful for your faithful partnership in the Lord's work. Though there are many responsibilities and challenges, we are encouraged knowing that many of God's people are praying for us. Your prayers and support are a constant encouragement to us as we seek to serve the Lord faithfully and labor together for the cause of Christ.

We praise and thank the Lord for His unfailing goodness and faithfulness throughout another month of ministry. Every opportunity to preach His Word, encourage His people, and preach the Gospel is a reminder that whatever is accomplished is only by His grace and mercy. Thank you for standing with us through your prayers, love, and support. May the Lord richly bless you as we continue serving together until He comes again. "Therefore, my beloved brethren, be ye stedfast, unmoveable, always abounding in the work of the Lord, forasmuch as ye know that your labour is not in vain in the Lord." 1 Corinthians 15:58

Greetings to all of you in the Mighty name of the Lord Jesus Christ. Hebrews.13:8.

"Happy is that people, that is in such a case: yea, happy is that people, whose God is the Lord " Psalm 144:15.

" He will fulfil the desire of them that fear Him: He also will hear their cry and will save them." Psalm 145:19.

"For of him, and through him, and to him, are all things: to whom be glory for ever. Amen." Romans 11:36.

Now many disasters happen everywhere and even Sri Lanka. Because we did not have any experience of disaster. Our small Island did not have cyclone, hurricane, storm or rough weather. And rough wind which destroyed the Island. Now people are surprised about these climate change. But as I believe of Jesus, I know all these things happen to the world Our Lord Jesus prophecies about His death, resurrection, Judah's betrayal, denial of Peter. Peter had much confidence of himself rather than Jesus. But Peter failed. Jesus said that "You will deny me." But Peter said "No!No!!" But according to the word of Jesus it happened. Matthew 26:34-25. Peter had confidence in him yet failed. Everything happens according to the word of Jesus. Matt.26:69-74. This shows Jesus know us better than we do. Our Lord Jesus Christ can read our hearts and He knows all about our future. Thanks Lord Jesus for His grace. Our Lord says about disaster happens to the world. Luke 21:25-26. But our Lord is with us. No need to fear. Everything happens according to the word of God.

By the grace of the Lord Jesus Christ, I could witnessed to many people. Some are rejected. Even time of Jesus, many were against Him. I distribute many gospel tracts and witnessed to people. Our Lord is waiting till gospel must be spread. He has given time for that. Thanks Lord Jesus for His help and support.

We love all of you and praying for all. Thank you very much for prayer and care.

May Lord bless you all. "But whosoever hearkeneth unto me shall dwell safely, and shall be quiet from fear of evil. Proverbs 1:33.

Walter and Ruth,
