PRAYER REQUEST AND URGENT ROOF REPAIR NEED

BROTHER ALEX ARAYA | COSTA RICA

Dear Pastors, Churches, and Friends in Christ,

This past weekend, Costa Rica experienced tremendous rains. During the early morning hours, Brother Alex Araya sent me videos from his home. He and his family had been unable to sleep as water came through the roof and flooded their bedroom.

The last time this happened, they were able to repair the worst part of the roof, but they could not complete all the needed work. Alex believes the remaining repairs can be completed for approximately \$1,000. This need is urgent because the rains are expected to continue.

Would you please pray for Brother Alex and his family, and ask the Lord to provide for this need? If the Lord leads you, and you or your church would like to help with an offering, it would be received with sincere gratitude. Any amount will help them repair the roof and protect the room from further rain.

Thank you for praying and for considering this need. May the Lord bless you for your kindness and concern for this family.
