SERVING IN THE NORTHEASTERN REGION OF MEXICO

PESQUERIA, NUEVO LEON

Dear Pastor and Church,

We pray that the grace of God the Father will guide you in your ministry as you fulfill the high calling of the Holy Spirit to preach the gospel of our Lord Jesus Christ to the ends of the earth.

Through this letter, I would like to share what God, in His grace and mercy, has allowed us to accomplish at New Life Baptist Church, where God has placed me to serve as pastor.

In the month of June, God allowed us to serve Him through several different activities. One of them was the graduation of the students from the Bible institute. Four young people graduated, ready to serve the Lord through the local church. During this same month, we celebrated Father's Day and had an excellent attendance of men. During July, we were able to hold our graduation service, where we witnessed the goodness of God in the lives of several young people who graduated from their university studies. Also during this month, thank God, we were able to reach another goal as a church in answer to a request we had presented to God: the need to install air conditioning, although a few details of the church building renovation still remain.

In August, God allowed us to celebrate the fifteenth birthday of a young lady who has grown up in the church. This is a very traditional celebration in Mexico, in which a large celebration is held along with a thanksgiving service, and prayer is offered for the young lady, asking God to bless her as she begins this new stage of her life as a young woman. We also had the opportunity to hold a special baby dedication service, dedicating the life of a little baby to the Lord. In the middle of the month, we held Vacation Bible School, with an average attendance of 40 to 60 children each day. Glory to God! We had the joy of seeing children who attended receive Christ as their personal Savior. We greatly appreciate your financial support and your prayers. Finally, we would like to share several prayer requests with you and ask that you help us by praying for them.

1. Please pray that we may complete the renovation of the rented building where our church meets. We need to install insulation in the roof structure so that the air conditioning can work more efficiently. The estimated cost is approximately \$2,000 USD.
2. Please also pray for the purchase of a van for our church route. Lately, we have had to use vehicles belonging to church members for different activities.
3. Finally, please continue praying about the debt from my wife's surgery. We are still facing this battle. A few weeks ago, the oncologist ordered some medical tests after apparently noticing another abnormality in my wife's body. We believe God is sovereign, and whatever comes from Him, we must receive with a good attitude.

I have attached several pictures of the activities mentioned above.
