PHNOM PENH, CAMBODIA

Dear Praying Friends,

This past Sunday, two girls trusted Christ as Savior! **Teeda** (top picture) and **Srey Pi** (second picture, in the Pink Panther shirt) have been coming to church for a couple of months, and were invited by Hannah, the daughter of one of our faithful couples. Please continue praying for Teeda's mom, Anita, who has also attended several times and is being taught the Gospel by one of our ladies. Pray she will come to know the Lord soon. She's going through some tough things in her life, and Satan seems to be really fighting hard to keep her from turning to Christ.

Several weeks ago, a lady none of us knew contacted us through our church Facebook page and began to attend our services. Two weeks ago she showed up a little early for the worship service and "accidentally" caught the final few minutes of the Sunday School lesson. When she left that day she said, "Next week, I'm coming to both hours, because I want to hear more about what you were teaching." That's encouraging to hear! (And yes, last Sunday she arrived in plenty of time for Sunday School!) Pray for **Raexmey**. She claims to be a Christian already. We are praying she will find our church to be a place where she can grow in her faith.

Please pray for **Rota** (bottom picture). He got saved and baptized this past year and is growing in the Lord. Rota has severe Thalassemia and the resulting Osteoporosis is causing him more and more pain. Due to limited treatment options, the doctors say he doesn't have long to live. He loves coming to church, and is excited about participating in this year's Christmas program. By the way, in that photo on the right, he's singing with his Sunday School class. Please pray for three things: **First**, pray for his mom, grandma, and younger brothers to get saved. None of them come to church at this point. **Second**, pray for his healing. **Third**, pray for him to have God's peace, joy, strength, and grace as he faces this trial. We are always grateful for your faithful prayers and financial support.

Sincerely,
Stephen Benefield
