SHIPPING BIBLES

Since the beginning of 2026 we have placed a special emphasis on raising funds for the purchase of Bibles. Most of these are purchased overseas in the tribal languages of the people where they are most needed. We have purchased Bibles this year in Egypt, Pakistan, India, Nigeria, Congo and a host of other nations.

However, as a part of our goal for the year, we wanted to send out our very first container with Bibles from the US to a needy group. We were greatly blessed to partner with Bible Literature and Missionary Foundation and during the month of August send a container of 45,760 New Testaments and 16,072 full Bibles to Monrovia, Liberia. We are excited about their arrival as they are presently crossing the Atlantic. Please, pray for a swift clearance from the port and no complications with customs. They will be heading to Ganta to be stored with one of our great pastors / church-planters, Emmanuel Gaye. I will be arriving the last week of November and Lord willing will give out to many pastors and churches these copies of the Word of God.

SHIPPING OUR TRUCK

Thank you to all who have given to help Kim and I get a vehicle to Nigeria to use as we serve national pastors and churches in various towns and villages. We are taking our truck to the port of Jacksonville this week and sending it off to West Africa. Pray that it gets there in a timely fashion and that we are able to use it upon our arrival in the third week of October. It will be a tremendous blessing personally as well as when preaching the gospel as I will be traveling to many areas of Nigeria from October to December. Pray for favor in the eyes of the customs agents in Lagos.

SERVING IN SIX STATES

Kim and I have presented ANOM and our mission work in six states the past two months. We helped organize the first Missions Conference for one church while traveling. I was blessed to be on the radio in northwestern Indiana. In New Jersey, I was honored to preach three nights at a gospel crusade and conference for Telugu people from South India. We have seen souls saved along the way. The Lord is always gracious to us. Thanks for all your investment in the work we do globally as we serve with national pastors.
